

Six Great Benefits of Using EnviroX Products

1 No More Residue Build-Up

RED® Dilution
for Restoration

Rapidly reduce residue with EnviroX coupled with mechanical action to "restore the floor".

Accomplished with EnviroX in the proper dilution with the equipment on site.

GREEN® Dilution
for Daily Cleaning

Daily cleaning with EnviroX to remove soils and leave minimal residue behind.

Accomplished through proper dilution control coupled with proper mopping procedures.

2 Fewer Products

One Product, Two Dilutions,
95% of Total Facility Cleaning Needs.

OR

4 Train in Ten™

Train your staff in ten minutes or less! Check out the NEW EnviroX Training Portal at www.EnviroXClean.com.

- Training Videos
- Wall Charts
- Standard Operating Procedures
- Info Sheets and more!

5 Safety

- Reduce surface damage and staff injury.
- Use on any water-safe surface.
- Contains low VOC's and no known asthmagens.
- Easy visual training materials. Train in Ten™ on only 1 product instead of a dozen.

6 Environmentally-Responsible

It all adds up in the end. Even if you've only used 1 case per month of H₂Orange₂, you've saved

- **2,036 Cardboard Boxes**
- **24,528 Plastic Bottles****

from the landfill!
