

Fresh-Sorb

Absorbent & deodorizer

Fresh-Sorb is a granular absorbent that absorbs and deodorizes for easy cleanup of unpleasant messes.

Effective

Turns unpleasant messes into semi-solids for quick and easy cleanup. Works great on vomit, urine, blood, and much more.

Eliminates odors

Locks odors away leaving behind a fresh clean scent.

Non-abrasive

Lightweight cellulose-based granules won't scratch hard surfaces or damage soft surfaces, including carpet fibers.

Eco-friendly

The biodegradable formula is environmentally friendly and safe for use with vacuum cleaners.

Sprinkle over mess

Wait 5-10 minutes

Sweep or vacuum away!

Carpet refresher
