

Easy Fresh

The only air freshener where the cover is the refill

Easy Fresh provides 30 days of freshness for medium size spaces. The cover is the refill and offers maximum surface area for maximum fragrance release.

Great for public spaces

The design resembles a smoke detector which deters tampering.

Easy to use

The pre-set programming along with a visual and audible replacement reminder makes for simple maintenance.

Eco-friendly

Refills are 100% recyclable and do not contain any acetone or propellants.

Dry fragrance technology

Solid refills won't leak, spill, or leave a sticky residue.
