

Luxo Link Vinyl Logo Mats

Quality that LASTS FOR YEARS!

BF Hurley Luxo Link Mats by Durable Corporation provide superior quality, durability and longevity. Luxo Link Mats reduce dirt and wear on your floors while promoting safety under foot. Our beveled edge prevents trips and falls while providing easy access for carts and wheelchairs. Luxo Link Mats are also available with a square edge for recessed flooring applications.

Make your entrance a statement by proudly displaying custom logos, colors, mascots, mottos, emblems or insignias. Our in-house designers will take your image and logo and provide you with a free digital scale drawing for review, along with a firm quotation. There are no extra charges for lettering, designs, or color choices. We have proudly designed mats for the U.S. Government, U.S. Military Branches, Schools, National Chains, as well as many small businesses.
