## CLEANING FORMULAS

### 7-IN-1 CARPET CARE PRO-FORMULA

Ultra-concentrated formula for rental, professional, and home carpet and upholstery cleaning machines. Tackle seven tasks in one, saving both time & money.

### 7-IN-1 HI-TRAFFIC PRE SPRAY

A powerful pre-treatment for carpet cleaning machines, designed to loosen tough, embedded dirt and oils before deep cleaning.

### SPOT SOLUTION

This solution is formulated to remove alkaline and acid based spots like: blood, chocolate, grease, milk, oil, soft drinks, coffee, tea and wine.

### 7-IN-1 CARPET CARE PET FORMULA

Designed for tough pet messes and odors, this formula works in both rental and home carpet and upholstery cleaning machines. Get seven tasks done in one go.

### 7-IN-1 PET SPOT & ODOR FORMULA

An advanced formula that removes tough pet stains and odors from carpets, upholstery, fabric, and hard surfaces. Effective on all types of stains, including pet accidents.

## ADDITIONAL ACCESSORIES

### SIMPSON® CARPET EXTRACTION HAND TOOL

Effortlessly clean upholstery, stairs, tight spaces, cars, and boats with professional-grade hand tools for exceptional results.

### SPOT VORTEX – SPOT REMOVING TOOL KIT

Easily tackle spots and odors from food, liquids, and dirt with enhanced suction power for deeper cleaning and soil removal.
