VALUED-ADDED PROGRAMS & SERVICES

R&D, QC and Technical Support

At Spartan, our commitment to quality starts in the lab, where we vigorously formulate, evaluate and support our products. Spartan's on-site, research facility is a fully equipped, GLP (Good Laboratory Practices) compliant laboratory, staffed by scientists and professionals, including microbiologists, bioaugmentation specialists, formulating chemists, regulatory managers and quality control technicians. True experts in their field, these Spartan professionals are responsible for research and development, quality assurance, bringing new products and formulas to market, plus they are available to provide immediate technical assistance.

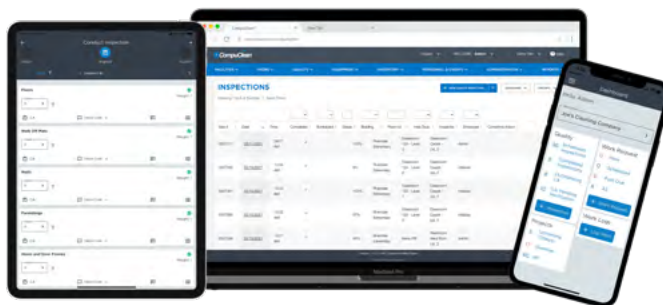

CleanCheck® Learning Management System

To ensure quality workmanship, thorough and effective training is a must. CleanCheck is the ultimate tool for instilling pride and professionalism, building confidence, minimizing complaints and cost effectively managing the talents of your cleaning staff. English, French, and Spanish CleanCheck modules cover basic and advanced topics for keeping facilities clean. Plus, safety modules ensure OSHA Bloodborne Pathogens Standard and GHS compliance. CleanCheck is training made simple®. The CleanCheck Learning Management System includes:

- Web- or DVD-based video tutorials
- Training manuals
- On-the-job cards
- Certified Disinfection Specialist accreditation
- Web- or paper-based testing
- Compliance documentation and tracking
- Employee recognition certificates
- SCORM compatibility

CompuClean® Custodial Management Software

CompuClean provides a variety of cloud-based capabilities to document your cleaning operations, validate performance and enhance staff communication. As part of an effective Managed Cleaning Program, CompuClean simplifies reporting and tracking of work requests, quality inspections, equipment repairs and more. The CompuClean Mobile App, allows you to perform these functions from any mobile device, wherever you are. With a user friendly design and industry leading capabilities, CompuClean is custodial management made simple®.

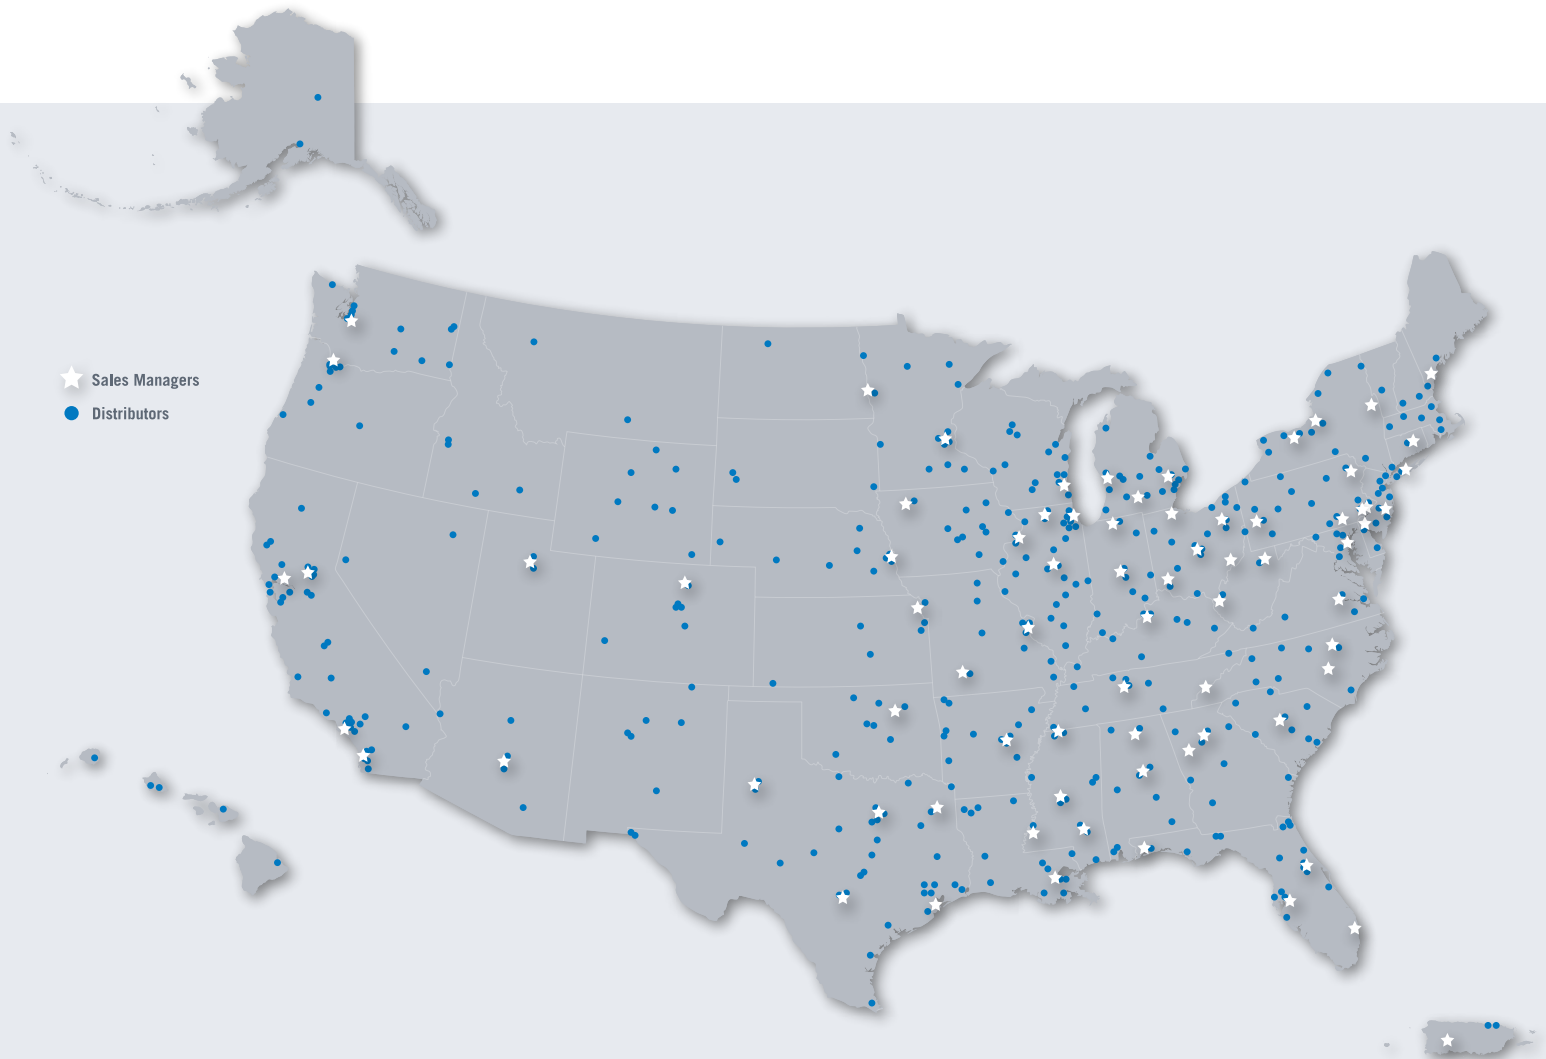

- Identify training/employee issues
- Improve facility cleanliness
- Evaluate processes and staffing needs
- Automate communication
- Reduce supply and repair costs
- Enhance documentation

A global presence with a local focus

While Spartan Chemical spans 5 continents, our most important location is the one nearest you. In the U.S. alone, we've assembled more than 500 strategically located distributor points, supported by a team of 115 sales professionals, who, in turn, have the full attention of product, market, division, and senior management, plus over 250 dedicated Spartan employees.

Whether your priorities are sustainability, safety, cleaner environments or cost savings, Spartan regional managers are certified cleaning, disinfection, and sanitation experts who are highly trained to define and help you deploy end-to-end solutions tailored to your specific business needs. From recommending appropriate programs to implementation, and all points in between, Spartan teams with our local and knowledgeable distributors to provide you:

- Local availability
- Just-in-time delivery
- Effective solutions for maintenance issues
- Assistance with cost savings and containment
- Industry leading certification programs
- Fast access to new products and services

Keeping sustainability at the forefront

You will be pleased to discover that sustainable products from Spartan Chemical are not only affordable — they are formulated to provide the same superior performance you've come to expect from all Spartan products. As an industry leader in advancing the production and use of sustainable cleaning products for safer environments, our high performance line of sustainable products includes six categories of environmentally preferable options. Each has been developed to ensure you can keep your facility clean without introducing any negative health affects to your employees and facility occupants.

While Spartan continues to make advancements in sustainable products, we are also making adjustments in our operations to reduce our carbon footprint. Below are some of the initiatives we've embraced to decrease our environmental impact through the responsible management of:

- Resource and material usage
- Packaging
- Energy use & greenhouse gas emissions
- Waste disposal

Symbols of safety, quality and sustainability

Green Seal is an independent, non-profit organization that develops life cycle-based sustainability standards for products, services and companies and offers third-party certification for those that meet the criteria in the standard. Products with the Green Seal Certified logo have been certified under these standards in their respective product categories.

The Safer Choice program is an EPA program which partners the EPA with individual industry sectors to compare and improve performance, human health and environmental risks of existing and alternative products. A product with this logo was formulated in partnership with the EPA under this program.

The Carpet and Rug Institute's CRI Seal of Approval program identifies effective carpet cleaning solutions and equipment that clean carpet right the first time and protect a facility's carpet investment. Not all products clean well enough to earn the Seal of Approval distinction, so look for the blue and green CRI Seal of Approval as proof that you are purchasing or using a quality product.

WOOLSAFE is a worldwide accreditation program for the promotion and proper care for wool carpet and upholstery. In addition, it identifies carpet and cleaning chemicals suitable for use on wool. Look for WOOLSAFE approved maintenance products for wool and wool-rich carpets.

The USDA BioPreferred® Program identifies commercial or industrial products (other than food or feed) that utilize biological products or renewable domestic agricultural (plant, animal, and marine) or forestry materials. A product within an identified category must meet the minimum bio-based content standard as established for the category. Bio-based content is determined by testing to ASTM Method D6866. This method uses radiocarbon dating to measure the amount of new carbon present in a product as a percentage of the total organic carbon.

The Spartan bio-based seal guarantees the percentage of bio-based content in each product. All of Spartan's BioRenewables products are tested by an outside, USDA approved laboratory to certify the percentage of bio-based raw materials found in the product. Using these products promotes North American agriculture and reduces our dependence on foreign oil.

These products have been evaluated by UL with respect to regulations for slip resistance. In the Classification service, UL determines that a manufacturer has demonstrated the ability to produce a product complying with UL's requirements.

Certified kosher by OK Kosher Certification.

Airlift® Fresh Scent

Featuring a classic powdery and comforting scent that elicits freshness and warmth, Airlift Fresh Scent is a water-soluble air freshener formulated to eliminate unpleasant odors. While regularly scheduled cleaning and disinfecting procedures eliminate the soils and bacteria which cause most odors; people, pets, food, and accidents cause malodors which permeate surfaces, making the air unpleasant.

#6095 20 oz ■ aerosol

Airlift® Smoke & Odor Eliminator®

A powerful odor neutralizer, Airlift Smoke & Odor Eliminator destroys complex odors such as smoke, stale food, and mildew by killing the odor and restoring indoor air quality. Its specially developed active odor counteractant attacks airborne malodor molecules creating a chemical reaction for instant neutralization and destruction of nearly every offensive smell; leaving a spring-time fresh fragrance.

#6086 20 oz ■ aerosol

Airlift® Tropical

Airlift Tropical is a deodorant formulated to control and eliminate unpleasant odors wherever they occur. The formulation incorporates special ingredients to assist in the initial control of offensive odors caused by stale smoke, mildew, urine, and vomit. Airlift may be sprayed on carpet when extra carpet freshness is desired.

#6068 20 oz ■ aerosol

Airlift® Xcelenté® Odor Eliminator

With odor encapsulating technology, Airlift Xcelenté Odor Eliminator doesn't just cover up odors, it traps and removes these odors from the air. The long lasting fresh lavender fragrance neutralizes even the strongest odors, making it the perfect solution to address smoke, cannabis, urine and other complex malodors.

#6019 20 oz ■ aerosol

Bed Bug & Lice Killer

Bed Bug and Lice Killer is an EPA registered aerosol product that controls pests for up to four weeks. Designed for use on furniture, mattresses and other non-washable items, Bed Bug and Lice Killer is effective against bed bugs, lice and louse eggs.

EPA Reg. No. 10900-86-5741

#6905 20 oz ■ aerosol

Carbon & Grease Remover

Carbon & Grease Remover is an effective cleaner that is safe to use on porcelain, glass, ceramics, stainless steel, and cast iron surfaces. The convenient spray-on gel formula clings to surfaces and provides rapid penetration and emulsification of tough soils such as baked-on carbon, grease, and food deposits. Offered in a versatile aerosol can, Carbon & Grease Remover can be used for cleaning commercial and institutional ovens, grills, griddles, char broilers, drip pans, hoods, rotisseries, and deep fat fryers.

#6281 20 oz ■ aerosol

Carpet Stain Remover

Carpet Stain Remover provides rapid and effective removal of the vast majority of commonly experienced stains. When used as part of the Contempo Carpet Care program, Carpet Stain remover offers a convenient aerosol application that can be used on coffee, cola, ink, lipstick, shoe polish, merthiolate, grease and pet stains.

#6374 20 oz ■ aerosol

Chewing Gum Remover

Chewing Gum Remover is a combination of two liquefied gases that remove chewing gum, candle wax, and other gummy substances from carpets, upholstery, wood, plastic, and vinyl. Chewing Gum Remover instantly freezes chewing gum, candle wax and sticky spills. The frozen brittle material can then be broken off or easily removed with a putty knife or scraper, leaving no residue.

#6445 6.5 oz ■ aerosol

Citro Shield Furniture Polish

A unique, water emulsion formula, Citro Shield contains silicones and other restorative agents for quick shine-ups. Citro Shield cleans and polishes all types of wood, wood paneling, marble Formica, stainless steel, vinyl upholstery and appliances. Contains lemon oil.

#6120 20 oz ■ aerosol

Contempo® Carpet Refresher

Everyday odors like smoke, pets, cooking and musty/stale odors can become trapped in the carpet fibers and make it smell foul and unpleasant. Freshen carpet with Contempo Carpet Refresher. Simply spray the mousse-like foam onto the carpet and allow to dry for five minutes. No vacuuming is needed to enjoy the freshening attributes of Contempo Carpet Refresher.

#6410 20 oz ■ aerosol

CR-2 Roach & Ant Killer

CR-2 Roach & Ant Killer provides quick killing action and residual control for up to 3 months. CR-2 Roach & Ant Killer is formulated to eliminate and control re-infestations by ants, bees, carpenter ants, carpet beetles, centipedes, cockroaches, crickets, earwigs, fire brats, fleas, flour beetles, grain beetles, ground beetles, millipedes, mole crickets, moths, pill bugs, sow bugs, spiders, ticks, and many other crawling insects. **EPA Reg. No. 10088-92-5741**

#6903 20 oz ■ aerosol

Dust Mop/Dust Cloth Treatment

Dust Mop/Dust Cloth Treatment is a ready-to-use formula used to pick up dust, lint and soil, reducing the wear and abrasion on floor finishes from sand and soil, and prolonging the floor finish life. Dust Mop/Dust Cloth Treatment can also be used to dust off pictures or to dust down walls and is safe to use on most hard surfaces. The pleasant fragrance and ease of use makes it appealing for the cleaning staff to use.

#6099 20 oz ■ aerosol

F-6™ Flying Insect Killer

A combination of two powerful synthetic pyrethroid compounds, F-6 Flying Insect Killer quickly kills flying insects. F-6 Flying Insect Killer is recommended for use in schools, office buildings, institutions, hotels, motels, factories, and manufacturing facilities. **EPA Reg. No. 706-83-5741**

#6919 20 oz ■ aerosol

Food Grade Machinery Lubricant

Food Grade Machinery Lubricant is designed specifically for lubricating food processing equipment and machinery where there is a possibility of incidental food contact. A special blend of mineral oil that lubricates contaminants, Food Grade Machinery Lubricant effectively loosens rust, dirt and grime while leaving a protective barrier. Formulated to meet sanitary requirements for use on certain parts of machinery.

#6525 20 oz ■ aerosol

Glass Cleaner

Glass Cleaner is a non-ammoniated glass cleaner that is great for use in industrial, institutional, and commercial facilities. With quick emulsification the formula suspends surface soils and smoke film for easy removal without streaking and the isopropyl alcohol provides rapid drying and excellent film-free characteristics.

#6217 20 oz ■ aerosol

Lube-All

Lube-All is a high tech lubricant enhanced with zonyl® PTFE Resin. It maintains longer lubricity and wear resistance, restoring smooth operation to sticky or rusty mechanisms without disassembling. Quick penetrating action through the smallest cracks and crevices, provides a protective barrier against corrosive environments. Use on fasteners, tools, sliding doors, locks, hinges, window cranks, cables, chains, electronic gears, electrical tools, and automobile starters.

#6730 20 oz ■ aerosol

Premium Wood Polish

Premium Wood Polish is a ready-to-use, silicone-based formula designed to produce a quick shine without an oily residue. This product is great for practically any wood surface, such as wood paneling, wood veneer or washable surfaces like Formica and vinyl. Premium Wood Polish contains both carnauba wax and silicone to not only protect wood finishes, but also create a high gloss shine that is slow to dull.

#6110 20 oz ■ aerosol

SD-20®

Formulated to foam away dirt, grease and fingerprints from washable surfaces, SD-20 all-purpose degreaser aerosol tackles a wide range of cleaning jobs-from removing heavy soil on baseboards to foaming away grease on exhaust vents and hoods. The clinging foam, no rinse formula allows concentration of the product on stubborn spots and aids in spot cleaning.

#6520 20 oz ■ aerosol

Shineline Baseboard Stripper™

The unique and convenient aerosol is designed to be held upside down. Ideal for baseboards, floor edges, stairs, and corners. It speeds up the cleaning of equipment, floor pads, buckets, wringers and floor machine housing. Shineline Baseboard & Wax Build-Up Stripper removes industrial soils and adhesives.

#6097 20 oz ■ aerosol

SparSan Q® Disinfectant Deodorant

SparSan Q Disinfectant Deodorant is a versatile, ready-to-use aerosol disinfectant deodorant. It is ideal for convenient disinfection after spot clean up, and for those areas not easily reached during routine disinfection procedures. Prevents mold and mildew on environmental surfaces in public places. Meets EPA Efficacy Standards for hospital aerosol disinfectants.

EPA Reg. No. 67603-4-5741

#6076 20 oz ■ aerosol

Stainless Steel Cleaner/Polish

Stainless Steel Cleaner Polish is a foamy, white emulsion formula, specifically for use on stainless steel, chrome, and other non-porous washable surfaces. Stainless Steel Cleaner Polish quickly removes fingerprints, grease, oil, coffee, ink and even built-up grime, leaving soft, non-greasy protective finish which resists fingerprinting, stains, and watermarks and provides a soft, non-greasy protective satin finish.

#6310 20 oz ■ aerosol

Steriphene II® Brand Disinfectant Deodorant (Clean Fresh Fragrance)

Steriphene II's dual-phenolic system provides effective antimicrobial activity on hard, nonporous, environmental surfaces. Ideal for convenient disinfection after spot clean-up for areas not easily reached during routine disinfection procedures. Steriphene II has been tested and shown effective against Methicillin-resistant *Staphylococcus aureus* (MRSA) and Vancomycin-resistant *Enterococcus faecalis* (VRE). EPA Reg. No. 5741-22

#6081 20 oz ■ aerosol

Steriphene II® Brand Disinfectant Deodorant (Spring Breeze Fragrance)

Steriphene II's dual-phenolic system provides effective antimicrobial activity on hard, nonporous, environmental surfaces. Ideal for convenient disinfection after spot clean-up for areas not easily reached during routine disinfection procedures. Steriphene II has been tested and shown effective against Methicillin-resistant *Staphylococcus aureus* (MRSA) and Vancomycin-resistant *Enterococcus faecalis* (VRE). EPA Reg. No. 5741-22

#6075 20 oz ■ aerosol

Superior High Shine Stainless Steel Cleaner & Polish

Superior High Shine Stainless Steel Cleaner & Polish is an oil-based formula, specifically for use on stainless steel, chrome, and other non-porous washable surfaces. The oil-based formula removes light soil including fingerprints, grease, smudges and spills with ease. A clean and pleasant lemon scent makes using Superior High Shine Stainless Steel Cleaner & Polish a pleasure to use.

#6290 20 oz ■ aerosol

TnT®

TnT is an active foam disinfectant cleaner that is recommended for bathroom and locker-room fixtures, tables, countertops, furniture, doorknobs, and other hard, non-porous environmental surfaces. In one step, TnT removes mold and mildew stains. If the humidity is heavy, it might be necessary to spray the surface more often TnT's clinging foam penetrates and emulsifies soap scum, grime, grease, and other tough soils. EPA Reg. No. 5741-14

#6343 20 oz ■ aerosol

Wasp & Hornet Killer

Wasp & Hornet Killer is a long-lasting residual spray with quick knockdown. With a spray pattern up to 20-feet, Wasp & Hornet Killer kills wasps, hornets, yellow jackets, and eliminates the nests where they live and breed. EPA Reg. No. 706-109-5741

#6820 20 oz ■ aerosol

Xcelenté® Multi-Purpose Cleaner

Enjoy the fresh fragrance of lavender while you clean with Xcelenté Multi-Purpose Cleaner. The convenient aerosol provides spray-and-wipe cleanup for stains and spills as they occur. Safe for use on a variety of hard surfaces, Xcelenté delivers a shiny, streak-free finish on any surface not harmed by water—including glass!

#6031 20 oz ■ aerosol

Airlift® Clear Air Odor Eliminator

With a new odor encapsulating technology, Airlift Clear Air Odor Eliminator doesn't just cover up odors, it eliminates, traps and removes them from the air, significantly reducing the malodor present in the room. Airlift Clear Air Odor Eliminator features a crisp, long lasting fragrance that neutralizes even the strongest odors, leaving a clean, refreshing scent.

#4807 2 ltr ■ 2 oz/gal
#3044 1 qt ■ ready-to-use

Airlift® Clothesline Fresh® Clean

Clean, crisp, powerful fragrance that is soft and refreshing, Airlift Clothesline Fresh Clean is a water-soluble air freshener formulated to eliminate unpleasant odors. While regularly scheduled cleaning and disinfecting procedures eliminate the soils and bacteria which cause most odors; people, pets, food, and accidents cause malodors which permeate surfaces, making the air unpleasant.

#3047 1 qt ■ ready-to-use

Airlift® Clothesline Fresh® Linen

Delicate fresh linen scent that's light and crisp, Airlift Clothesline Fresh Linen is a water-soluble air freshener formulated to eliminate unpleasant odors. While regularly scheduled cleaning and disinfecting procedures eliminate the soils and bacteria which cause most odors; people, pets, food, and accidents cause malodors which permeate surfaces, making the air unpleasant.

#3048 1 qt ■ ready-to-use

Airlift® Clothesline Fresh® Soft

Soft, elegant aroma that is simple and pure, Airlift Clothesline Fresh Soft is a water-soluble air freshener formulated to eliminate unpleasant odors. While regularly scheduled cleaning and disinfecting procedures eliminate the soils and bacteria which cause most odors; people, pets, food, and accidents cause malodors which permeate surfaces, making the air unpleasant.

#3050 1 qt ■ ready-to-use

Airlift® Cranberry Ice®

Featuring a sweet, luscious cranberry fragrance with a touch of fruitiness, Airlift Cranberry Ice is a water-soluble air freshener formulated to eliminate unpleasant odors. While regularly scheduled cleaning and disinfecting procedures eliminate the soils and bacteria which cause most odors; people, pets, food, and accidents cause malodors which permeate surfaces, making the air unpleasant.

#3018 1 qt ■ ready-to-use

BIOAUGMENTATION PRODUCTS

BioTransport® 1 Consume Eco-Lyzer®

Consume Eco-Lyzer is a revolutionary quaternary-based disinfectant concentrate formulated to destroy pathogenic and odor causing bacteria and viruses, remove soils and leave natural digesters behind for residual control of nuisance odors. All in one, Eco-Lyzer features patented cleaning technology that reduces janitorial labor by cleaning, disinfecting, and digesting residual organic soils with one product. **EPA Reg. No. 5741-24**

#4597 2 ltr ■ 2 - 6 oz/gal

BioTransport® 2 Consume Micro-Muscle®

An industrial strength degreaser with odor control, Micro-Muscle quickly penetrates and digests petroleum-based soils such as: motor oil, hydraulic fluid, stamping oils, and lubricants. With residual organic digesters for ongoing odor control, Micro-Muscle helps degrade petroleum soils found in waste treatment systems. Use in manufacturing, print shops, repair shops, loading docks, and mass transit systems.

#4534 2 ltr ■ 1 - 128 oz/gal

Consume®

Multi-functional at its best! Consume is a cleaner, odor eliminator, stain remover, and drain maintainer. It naturally removes difficult organic soils from many surfaces including tile, concrete, steel, and carpet. Regular use of Consume eliminates organic build-up in drains, keeping them clear and odor-free. Ideal for cleaning and odor control in many areas, such as carpets, drains, dumpsters, and more!

#3097 1, 5, 15, 30, 55, 330 gal ■ straight - 64 oz/gal

#3197 1 qt ■ ready-to-use

Consume Bio-Bowl®

A ready-to-use, natural acid toilet, urinal, and shower room cleaner with organic digesters and bio-based cleaning agents to effectively remove hard water, urine deposits, and related odors. The unique blend of digesters and bio-based acid controls foul odors, digesting urine build-up in pipes to keep them free flowing and odor free. Consume Bio-Bowl can be used in urinals, toilets, and drains.

#3397 1 qt ■ ready-to-use

#3396 55 gal ■ ready-to-use

Consume® Drop-in-a-Drain

A convenient, single dose natural drain treatment, Drop-in-a-Drain naturally digests drain line build-up and blockage. Its unique single dose comes in water soluble dosing packets. Drop-in-a-Drain is easy to use and great showers, sinks, septic systems, floor drains, beer and soda tap drains.

#3205 336 packets ■ ready-to-use

Consume Eco-Lyzer®

Consume Eco-Lyzer is a revolutionary quaternary-based disinfectant concentrate formulated to destroy pathogenic and odor causing bacteria and viruses, remove soils and leave natural digesters behind for residual control of nuisance odors. All in one, Eco-Lyzer features patented cleaning technology that reduces janitorial labor by cleaning, disinfecting, and digesting residual organic soils with one product. **EPA Reg. No. 5741-24**

#3297 1, 5, 15, 30, 55, 330 gal ■ 2 - 6 oz/gal

Consume® FWD

Consume FWD is a farm waste digester that effectively controls foul odors at their source, reduces sludge build-up, and breaks down manure in lagoons. FWD is ideal for use in poultry, swine, dairy, and equine farms. The unique digesters efficiently control odor-causing materials while the formula of Consume FWD speeds up the composting process, making fertilizer more readily available.

#3106 50 packets ■ ready-to-use

Consume® LIQ

Liquid wastewater treatment naturally digests organic soils in drains, grease interceptors, septic tanks, and wastewater systems. Consume LIQ maximizes efficiency to minimize operating costs. Routine application of Consume LIQ reduces biochemical oxygen demand and total suspended solids. Additionally, it can reduce the volume of sludge and costs associated with disposal.

#3102 5, 15, 30, 55, 330 gal ■ ready-to-use

Consume Micro-Muscle®

An industrial strength degreaser with odor control, Micro-Muscle quickly penetrates and digests petroleum-based soils such as: motor oil, hydraulic fluid, stamping oils, and lubricants. With residual organic digesters for ongoing odor control, Micro-Muscle helps degrade petroleum soils found in waste treatment systems. Use in manufacturing, print shops, repair shops, loading docks, and mass transit systems.

#3497 1, 5, 15, 30, 55, 275, 330 gal ■ 1 - 128 oz/gal

Consume® POW

A powdered wastewater treatment that naturally cleans by assisting in the removal of organic soils in grease interceptors, septic tanks, drain fields, lift stations, and wastewater systems. Consume POW digesters speed up the process of organic soils and difficult compounds including phenols and cellulose, saving time. POW improves system stability, lowering maintenance needs, saving time and money.

#3104 5 gal bulk ■ ready-to-use

#3105 5 gal packets ■ ready-to-use

CX3 Bio-Assist®

A heavy-duty soil extraction carpet cleaner with Consume's digestive power, CX3 has organic digesters stay behind for residual odor control and waste removal. It is low foaming, non-corrosive, phosphate free, biodegradable and non-flammable. Ideal for nursing homes, day cares, schools, restaurants, casinos, food handling areas, pet facilities, or anywhere carpet odor problems may be a nuisance.

#3110 1, 15, 30, 55, 275, 330 gal ■ 2 oz/gal

CARPET CARE

Bonnet and Traffic Lane Carpet Cleaner

Bonnet & Traffic Lane Carpet Cleaner is specially formulated to be used in conjunction with the bonnet buffing, spin yarn, or soil transfer method carpet cleaning. Most effectively used against light to medium soil conditions and is excellent for high traffic areas. Dry and wet solvents blended with soil emulsifying wetting agents provide quick penetration and transfer of soil from carpeting to the bonnet.

#3085 1 gal ■ 16 - 42 oz/gal

Contempo® H2O2 Spotting Solution

Contempo H2O2 Spotting Solution is a convenient, ready-to-use, hydrogen peroxide-based carpet spotting solution and pre-spray treatment. Providing on-the-spot cleaning action, this hydrogen peroxide-based product cleans away many of the most common stains including red wine, red sauces, mustard, grape juice, coffee, tea, food grade red dye, cooking oils and greases, and motor oil.

#3037 1 gal ■ ready-to-use
#3137 1 qt ■ ready-to-use

Carpet Stain Remover

Carpet Stain Remover provides rapid and effective removal of the vast majority of commonly experienced stains. When used as part of the Contempo Carpet Care program, Carpet Stain remover offers a convenient aerosol application that can be used on coffee, cola, ink, lipstick, shoe polish, merthiolate, grease and pet stains.

#6374 20 oz ■ aerosol

Contempo® Tannin Browning Treatment

Contempo Tannin Browning Treatment is a mild acidic product that safely removes browning, yellowing and water spots from over-wetting. It is also an effective neutralizer for carpet yellowing from alkali residue. Designed for quick stain lifting action, Contempo Tannin Browning Treatment addresses the most common spotting obstacles encountered when cleaning carpet.

#3150 1 gal ■ 2 - 16 oz/gal

Chewing Gum Remover

Chewing Gum Remover is a combination of two liquefied gases that remove chewing gum, candle wax, and other gummy substances from carpets, upholstery, wood, plastic, and vinyl. Chewing Gum Remover instantly freezes chewing gum, candle wax and sticky spills. The frozen brittle material can then be broken off or easily removed with a putty knife or scraper, leaving no residue.

#6445 20 oz ■ aerosol

Contempo® Truck Mount Extraction Solution

Contempo Truck Mount Extraction Solution is a highly concentrated carpet cleaning detergent for use with truck mount extractors or as a pre-spray. The heavy-duty formula breaks down and emulsifies all types of soils, delivering consistent, powerful cleaning on every job. Economical and easy to use, Contempo Truck Mount Extraction solution leaves fibers cleaner and brighter.

Contempo V®

Low foaming extraction cleaner concentrate formulated for new stain resistant carpet and other extraction tasks. Low foaming, anionic detergents are the foundation of Contempo V. These anionic detergents actually increase the negative electrostatic field between soil and stain resistant carpet fibers, resulting in quick, effective removal of soil. Residue dries to a crystal for quick vacuuming.

#3092 1, 5, 15, 30, 55, 330 gal ■ 1 - 10 oz/gal

Clean by Peroxy®

Powered by the cleaning power of hydrogen peroxide, Clean by Peroxy multi surface cleaner quickly removes everyday soils, including greasy residue on almost any surface. With a fresh fragrance that says "clean", Clean by Peroxy multi surface cleaner offers the cleaning performance of a professional all-purpose cleaner in a convenient ready to use spray.

#3147 1 qt ■ ready-to-use

CX3 Bio-Assist®

A heavy-duty soil extraction carpet cleaner with Consume's digestive power, CX3 has organic digesters stay behind for residual odor control and waste removal. It is low foaming, non-corrosive, phosphate free, biodegradable and non-flammable. Ideal for nursing homes, day cares, schools, restaurants, casinos, food handling areas, pet facilities, or anywhere carpet odor problems may be a nuisance.

#3110 1, 15, 30, 55, 275, 330 gal ■ 2 oz/gal

Contempo® Carpet Refresher

Everyday odors like smoke, pets, cooking and musty/stale odors can become trapped in the carpet fibers and make it smell foul and unpleasant. Freshen carpet with Contempo Carpet Refresher. Simply spray the mousse-like foam onto the carpet and allow to dry for five minutes. No vacuuming is needed to enjoy the freshening attributes of Contempo Carpet Refresher.

#6410 20 oz ■ aerosol

Defoamer

Defoamer works with your primary chemical product to significantly reduce foam in recovery tanks of hot and cold water soil extractors, automatic shampooing equipment and floor scrubbers, providing time and labor savings. Defoamer has been proven to not harm equipment.

#3024 1 qt, 1 gal ■ ready-to-use

Green Solutions® Carpet Cleaner

Green Solutions Carpet Cleaner cleans quickly, penetrates, emulsifies and removes soils without oily residue. Safe for all types of extraction equipment and formulated responsibly for the environmental issues of today, including those of water and waste treatment facilities, Green Solutions Carpet Cleaner is non-corrosive, non-flammable, biodegradable and dye and fragrance free.

DISPENSERS & DILUTION CONTROL

FOOD PROCESSING

ChemSelect®

The Spartan ChemSelect cleaning and sanitization dispenser is designed for both clean/rinse (one product) and clean/rinse/sanitize (two product) operations. A simple lever operation enables staff to quickly change between steps and ensures accurate dilution control. A convenient, adjustable foam gun attachment provides a thick, rich foam for more effective cleaning.

#908000

Foam-It 20

Powered by compressed air, the Foam-It 20 foamer produces thick, voluminous foam for cleaning and sanitizing operations. A 20-gallon translucent tank, provides extended cleaning capability, as well as visual indication of fill levels. A chemically-resistant construction ensures that the Foam-It 20 can dispense even the most aggressive chemicals used in your sanitation operation.

#991700

Portable Drain Foamer

Compact with a manual pump, the Portable Drain Foamer is perfect for small foaming jobs and spot cleaning. The 1.5 liter foam unit is designed with a view stripe for easy visibility of product levels, as well as a pressure relief valve to ensure safety.

#994700

UB Selecto

The Spartan UB Selecto is a compact, wall mounted dispensing system for cleaning and sanitization. A simple ball valve operation enables staff to change between wash, rinse, sanitize steps and ensures accurate dilution control. The unit includes a foam gun attachment for effective cleaning.

#920600

HAND HYGIENE

Bulk Liquid Hand Soap Dispenser

The Bulk Liquid Hand Soap Dispenser is an economical and sustainable solution for your hand hygiene needs. Available in black or white, the attractive dispensing cabinet features a tamper proof lock and a 1000 ml. reservoir.

#980900 white

#981300 black

Lite'n Foamy® Counter Mount Dispenser

The Lite'n Foamy Counter Mount Dispenser is a premium system designed to deliver rich quality foam right from the counter top. Featuring a convenient, top fill refill spout, the Lite'n Foamy Counter Mount Dispenser reduces labor associated with hand hygiene maintenance and makes it easy to ensure that soap hand wash is consistently available for facility occupants.

#965500 6"

#967700 4"

Lite'n Foamy® Foam Dispenser

Lite'n Foamy is the economical and sustainable choice for end-users. The Lite'n Foamy Foam Dispenser works with the Lite'n Foamy line of hand washes and sanitizers to produce the right amount of foam for each application. Available in black or white, the attractive dispensing cabinet features a tamper-proof lock and a 1000 mL reservoir yielding over 1200 washes per tank.

#975600 white

#975700 black

Lite'n Foamy® Touch-Free Dispenser

The Lite'n Foamy Touch-Free Dispenser works with the Lite'n Foamy line of hand washes and sanitizers to produce the right amount of foam for each application. Hands-free operation minimizes the risk of cross contamination in restrooms. Available in black or white, the attractive dispensing cabinet features a tamper-proof lock and a 1000 mL reservoir yielding over 1200 washes per tank.

#977200 white

#977300 black

foamiQ® Sanitizer Stand

Perfect for use in schools, restaurants, offices, and hospitals, the foamiQ Sanitizer Stand is heavy-duty so it won't shift when dispensing, and is made of durable, powder-coated steel to withstand the toughest environments. The sleek design is 52" tall and features pre-drilled mounting holes. Compatible with the foamiQ dispensing cartridge. Mounting kit included.

#99123

Lite'n Foamy® Touch-Free Sanitizer Stand

The Lite'n Foamy Touch-Free Sanitizer Stand offers a touch-free sanitizing solution for keeping your facility safe and clean. Ideal for use in offices, schools, warehouses, food service facilities, manufacturing, hospitals, and much more, the Lite'n Foamy Touch Free Sanitizer Stand is lightweight, making it portable to any desired location. Compatible with Lite'n Foamy hand soaps and sanitizers.

Green Solutions® Stainless Steel Lock & Dial

The Green Solutions Stainless Steel Lock & Dial dilution control system offers maximum durability & accurate dispensing of the Green Solutions chemical system. Through a simple dial control, the dispenser offers flexibility to fill both quart bottles and buckets from the same product. A convenient, integrated, storage cabinet houses up to four 2-liter cartridges and locks to prevent theft and keep employees safe.

#945600

SAM Spartan Accurate Measurement Dispensing System

The SAM Spartan Accurate Measurement Dispensing System stainless steel unit dispenses diluted chemical directly into quart bottles, buckets or equipment. With an accurate dilution range from 1:3 – 1:256, the robust and durable dilution control unit is simple to operate with a locking button operation.

#99155 2-pump

#921000 3-pump

HOUSEKEEPING (CONTINUED)

simplidose™

The simplidose portable dosing system provides accurate dosing of Spartan Chemical products when a connected water source is not available. With a forced dispensing mechanism, simplidose ensures that cleaning staff dose the correct amount of product to get the best performance and efficacy required to complete the task at hand.

#99165 bottle fill (1/2 oz)

#99166 bucket fill (1 oz)

Spartan Foam Gun Model #481

The Spartan Foam Gun Model #481 produces ready-to-use foam on demand. Simply add the concentrated product of choice to the translucent tank and connect the gun handle to a water line and you're all set. The system features a replaceable metering tip to enable dilution and adjustment from 1:10 – 1:256.

#997300

SpartaSprayer 3.0

The SpartaSprayer 3.0 is a compact, manual pump-up sprayer with maximum portability for small jobs and spot cleaning. A comfortable grip handle with trigger provides quick on/off control. The 1.5 liter tank features Viton seals for chemical compatibility and easy visibility of product levels.

#997502

INDUSTRIAL

Tote Dispensing System

The Tote Dispenser System facilitates easy dilution control for heavy chemical usage items. Utilizing gravity to dilute and dispense the chemical, the Tote Dispenser System also features a fast-fill hose perfect for filling auto scrubbers. The system includes: one empty tote, one HydroMinder #511 and one tote tapping parts assortment.

#907400 275 gallon system

#907700 330 gallon system

KITCHEN SERVICES

3-Sink Push Dispenser

The 3-Sink Push Dispenser offers an affordable and convenient manual dispenser option for 3-sink sanitation in food prep and food service applications. Simply mount unit on wall adjacent to machine and the dispenser will consistently and accurately dispense 1 oz of product per push.

#905900

Auto Drain

Maintain your drains with little day-to-day effort by using the Spartan Auto Drain. Simply program the Auto Drain to dispense your drain maintenance product at an interval of your choice and the unit will take it from there. Available in battery or electric power options, the Spartan Auto Drain makes it simple to maintain drains using your favorite Consume® product.

#920400 battery powered

#920500 electrical powered

Clean on the Go® 3-Sink System Dispenser

Combining two high-flow dispensers, the Clean on the Go 3-Sink System option ensures accurate dilution for sanitizing while controlling cost for manual dish detergent. The 3-Sink System includes everything you need in one box (dispensers, tips, tubing, wall chart, and product identification stickers).

#99132

LavoWare Pro

The LavoWare Pro warewash dispenser offers convenient, state-of-the-art chemical dispensing. The versatile, intuitive design is available in a 2-pump and 3-pump configuration. An LCD display enables easy setup and installation, and the units require little to no maintenance.

#99155 2-pump

#99156 3-pump

Sprite Warewash Dispenser

The Sprite Warewash Dispenser combines a detergent control and rinse pump in a miniaturized water-resistant enclosure. The electronic control board is protected by a gasketed enclosure for water resistance and maximum long-term reliability. Utilizing the Sprite dilution control system, customers can save money while guaranteeing accurate dosing for each load.

LAUNDRY CARE

Front Load Total Eclipse Laundry Dispenser (3-pump)

The Front Load Total Eclipse Laundry Dispenser system is a compact, easy to use dispenser for on premise laundry applications. Including a washer mounted controller, machine Interface, and a wall mounted pump module, the automatic management system can handle up to 3 laundry chemicals and up to 20 different formulas.

#963200

Front Load Total Eclipse Laundry Dispenser (4-pump)

The Front Load Total Eclipse Laundry Dispenser system is a compact, easy to use dispenser for on premise laundry applications. Including a washer mounted controller, machine Interface, and a wall mounted pump module, the automatic management system can handle up to 4 laundry chemicals and up to 20 different formulas.

#963300

Front Load Total Eclipse Laundry Dispenser (5-Pump)

The Front Load Total Eclipse Laundry Dispenser system is a compact, easy to use dispenser for on premise laundry applications. Including a washer mounted controller, machine Interface, and a wall mounted pump module, the automatic management system can handle up to 5 laundry chemicals and up to 20 different formulas.

#963400

Laundry Push Dispenser

The Laundry Push Dispenser offers an affordable and convenient manual dispenser option for top load, on premise, laundry operations. Simply mount unit on wall adjacent to machine and the dispenser will consistently and accurately dispense 1 oz. of product per push.

#962600

MiniWash

MiniWash is a series of compact dispensing systems designed for use with top-load or OPL washing machines. The dispensers feature timed mode programming for laundry chemicals. Installation is simple and easy using the supplied wall-mounting brackets.

#99168 2-pump

#99169 3-pump

Taurus Push Button Dispenser

The Taurus is a fully programmable single pump dispenser designed for use on top load laundry applications as well as any application requiring a single product to be dosed with extreme accuracy. Once programmed, a simple press of the button begins the dispensing cycle. A tool-free squeeze tube change out, offers convenient preventative maintenance.

#930200

Top Load Laundry Dispenser (2-pump)

The Spartan Top Load Laundry Dispenser system is a compact, easy to use dispenser for on premise laundry applications. Including an integrated controller and wall mounted pump module, the automatic management system can handle up to 2 laundry chemicals.

#960100

Top Load Laundry Dispenser (3-pump)

The Spartan Top Load Laundry Dispenser system is a compact, easy to use dispenser for on premise laundry applications. Including an integrated controller and wall mounted pump module, the automatic management system can handle up to 3 laundry chemicals.

#960200

Spartan Connected Dosing System

Spartan's centralized dosing systems are custom-configured to work with industrial laundry equipment. Customers can save time and hassle with a single control point for the entire plant. The systems are connected via Wi-Fi or cellular, so real-time data is provided anytime, anywhere. A customizable dashboard enables you to modify and manage all aspects of the chemical dosing and linen program.

#99145

Acid Blend FP®

Acid Blend FP is a nitric and phosphoric acid blend used for passivation and to remove iron and other inorganic deposits from tank surfaces. Formulated to passivate and brighten stainless steel tanks Acid Blend FP inhibits the negative impacts of iron residue on beer's flavor and leaves surfaces sparkling. The low foaming formula is designed for use in manual and CIP cleaning operations.

#3124 5, 55 gal ■ 1 - 6 oz/gal

Acid Sanitizer FP®

Acid Sanitizer FP is a concentrated phosphoric acid formulation designed to clean and sanitize a variety of surfaces commonly found in dairy, beverage, food processing and farm applications. Acid Sanitizer FP is an acid cleaner sanitizer for use on food processing and dairy equipment in water up to 600 ppm hardness (as CaCO₃). For all soiled equipment, a preliminary cleaning is required. EPA Reg. No. 10324-67-5741

#3154 1, 5, 15, 30, 55, 275 gal ■ 1 oz/4 gal

Carcass Wash FP®

Carcass Wash FP is a peroxyacetic acid-based, food-grade microbiocide developed for use in Federally Inspected meat, poultry and seafood processing locations. Designed for direct application on meat, poultry and seafood carcasses or cuts, Carcass Wash FP helps to reduce contamination and cross-contamination of edible food products.

#3133 4.5, 53 gal ■ 1 oz/5.7 - 7 gal

Caustic Cleaner FP®

A high alkaline, low foam liquid, Caustic Cleaner FP is designed to remove or clean soil from food processing and packaging equipment and the surrounding work areas. An excellent CIP cleaner to remove heavy encrustations. Also recommended for smokehouse cleaning. High performance even in hard water.

#3189 1, 5, 15, 30, 55, 275 gal ■ 1 - 12 oz/gal

Chlorinated Degreaser

Heavy-duty concentrated liquid formulated with bleach to quickly remove carbonized soils such as blood stains from floors, walls and food processing equipment. The bleach cleaning action of Chlorinated Degreaser is high foaming and great for fast grease release. Safe to use on aluminum, galvanized steel and stainless steel and works well in hot or cold, hard or soft water.

#3080 1, 5, 15, 30, 55, 275 gal ■ 6 oz/gal

Chlorinated Plus®

Chlorinated Plus is an ultra heavy-duty, strong alkaline, high foam, concentrated degreaser, fortified with bleach. Chlorinated Plus is formulated for heavily soiled food processing surfaces and equipment contaminated with animal fats and oils, blood stains, and other baked on carbonized soils. Chlorinated Plus may be used in meat, poultry, seafood, and other food processing industries.

#3074 5, 15, 30, 55, 275 gal ■ 1 - 4 oz/gal

DFP-32®

Economical general purpose cleaner. Use in all areas of food processing, food handling and food service. Rapidly emulsifies and removes animal fat, grease, vegetable oil, blood, smoke film and other problem soils. Rinsing leaves hard surfaces virtually odorless and film free. Biodegradable. Phosphate free. Kosher and Pareve.

#3008 1, 5, 15, 30, 55, 330 gal ■ 4 - 26 oz/gal

Eggs-So-Clean® Egg Washing Compound

A uniquely formulated washing compound specifically designed for use in shell egg washing applications. Non-chlorinated, Eggs-So-Clean Egg Washing Compound, is a combination of several surfactants that aid in cleaning and preventing soil from redepositing on the eggshell. Provides efficient egg washing by quickly removing chicken feces, blood, dirt, mud, feathers, insects and other soil from the eggshell.

#3129 5, 55, 275 gal ■ 0.5 oz/gal

Eggs-So-Clean® pH Booster

Designed to use in conjunction with Eggs-So-Clean Egg Washing Compound, Eggs-So-Clean pH Booster is a 25% caustic solution designed to insure proper pH. Eggs-So-Clean pH Booster neutralizes the level of contaminants such as egg proteins, soils, and other egg waste in the wash water. This assures a pH level in keeping with Industry and HACCP (Hazard Analysis and Critical Control Points) guidelines of 10.0 or greater.

#3125 5, 55 gal ■ 1 oz/100 gal

Foam Additive FP®

Foam Additive FP is a highly concentrated liquid designed to add a high foam characteristic to Caustic Cleaner FP and High Acid Cleaner FP. This foaming feature is most desirable when cleaning vertical surfaces for it prolongs contact time making soil removal easier. Foam Additive FP can also add thickness to Spartan Food Processing products when the job requires brush-on application.

#3109 1 qt ■ 1 - 12 oz/gal

Food Grade Machinery Lubricant

Food Grade Machinery Lubricant is designed specifically for lubricating food processing equipment and machinery where there is a possibility of incidental food contact. A special blend of mineral oil that lubricates contaminants, Food Grade Machinery Lubricant effectively loosens rust, dirt and grime while leaving a protective barrier. Formulated to meet sanitary requirements for use on certain parts of machinery.

#6525 20 oz ■ aerosol

Foaming Acid Cleaner FP®

This concentrated, high performance, phosphoric acid based product is specifically formulated and boosted with high foamers for use in dairy and food processing applications. Foaming Acid Cleaner FP's high foaming feature provides a thick, rich foaming lather that grips vertical and horizontal surfaces extending contact time for better cleaning performance.

#3081 5, 15, 30, 55, 275 gal ■ 1 - 10 oz/gal

Freezer Cleaner FP®

Freezer Cleaner FP is a heavy-duty formula designed to clean floors, walls and equipment in sub-freezing cold storage and freezer areas without the need for defrosting. A unique solvent-detergent blend, Freezer Cleaner FP, contains solvents to depress the freezing point and cut grease as well as detergents to emulsify and penetrate surface soils.

#3128 1, 5, 15, 55 gal ■ 1:1 - 3:1

Foaming Caustic Cleaner FP®

A high-foam, high-alkaline liquid concentrate, Foaming Caustic Cleaner FP penetrates, emulsifies and removes tough food soils as well as natural and liquid smoke residue from smokehouses and other food processing equipment. The powerful cleaning force of sodium hydroxide and sodium metasilicate saponifies fat, dissolves protein, and removes carbonized and greasy soils quickly and efficiently.

#3179 5, 15, 30, 55, 275 gal ■ 1 - 12 oz/gal

Fryer Cleaner FP

Fryer Cleaner FP is a powerful industrial fryer boil-out compound formulated to remove baked-on carbon and grease. The cost-effective concentrate is economical and allows for adjustment of the product strength based on specific fryer capacity and soil load. The dual-action formula aggressively attacks carbon deposits. Keep your equipment clean with Fryer Cleaner FP and ensure product quality and consistency.

#3191 5, 55, 275 gal ■ 1 - 12 oz/gal

High Acid Cleaner FP®

Formulated for dairy and food processing industry. Removes mineral deposits like milkstone and beerstone from stainless steel, and other acid resistant surfaces. Low foaming, with complete rinsability, High Acid Cleaner FP is an excellent product for CIP cleaning and neutralizing applications. Assists dairies in compliance with the grade "A" Pasteurized Milk Ordinance.

#3082 1, 5, 15, 30, 55, 275 gal ■ 1 - 10 oz/gal

High Acid Cleaner FP® Phosphate Free

Formulated for dairy and food processing industry, High Acid Cleaner FP Phosphate Free removes mineral deposits like milkstone and beerstone from stainless steel, and other acid resistant surfaces. Low foaming, with complete rinsability, High Acid Cleaner FP Phosphate Free complies with state phosphate regulations and is an excellent product for CIP cleaning and neutralizing applications.

#3095 5, 15, 30, 55, 275 gal ■ 1 - 10 oz/gal

High Performance Alkaline FP

High Performance Alkaline FP is a highly concentrated alkaline detergent used for brewery cleaning (i.e. brew kettles, fermenters, conditioning tanks, filters), fryer boil-out, and CIP/COP applications. Effective at removing baked on soils, High Performance Alkaline FP removes, proteins, fats, carbohydrates, sugars and other stubborn soils found in brewery's and other food processing applications.

#3126 5, 55, 275 gal ■ 2 - 6 oz/gal

Inspector's Choice®

Designed to tackle tough cleaning and degreasing jobs, Inspector's Choice offers fast, foamy, grease release action for animal fats and organic oils. Unlike other meat room cleaners, Inspector's Choice foam has a unique lifting action that actually brings the soils to the surface allowing them to be rinsed away. Residue free, Inspector's Choice is safe for use on quarry tile and other food prep surfaces.

#3045 1, 5, 15, 30, 55, 275 gal ■ 6 oz/gal

LFC®

High alkalinity and bleach form the base of this low foam, high performance formula developed exclusively for pressure cleaning. The low foaming characteristic of LFC mean less foam and less time spent rinsing. LFC's bleach cleaning action provides quick protein removal and de-staining. The buffered alkaline components react with fats to emulsify, remove fatty soils, grease, oils and carbonized soils.

#3075 1, 5, 15, 30, 55, 275 gal ■ 6 oz/gal

Lite'n Foamy® E2 Sanitizing Hand Wash

Lite'n Foamy E2 Sanitizing Hand Wash is a benzalkonium chloride-based, triclosan-free, fragrance-free, foaming, anti-bacterial hand wash designed for use in food processing and service areas. The Lite'n Foamy system is the economical choice for end-users. With reduced packaging, it is also the sustainable choice to reduce landfill waste.

#3339 1, 55 gal ■ ready-to-use

Lite'n Foamy® E3 Hand Sanitizer

Lite'n Foamy E3 Hand Sanitizer is a benzalkonium chloride-based, triclosan-free, fragrance free foaming, anti-bacterial hand sanitizer designed for use in food processing and service areas. The Lite'n Foamy system is the economical choice for end-users. With reduced packaging, it is also the sustainable choice to reduce landfill waste.

#3340 1 gal ■ ready-to-use

Oven & Grill Cleaner

Oven & Grill Cleaner provides rapid penetration and emulsification of tough soils such as baked-on carbon, grease and food deposits. Recommended for use in cleaning commercial and institutional ovens, grills, hoods, rotisseries, deep fat fryers, and small cutlery item, etc. Oven & Grill Cleaner is non-flammable and safe to use when the recommended preliminary steps are taken.

#3004 1, 15, 30 gal ■ ready-to-use - 12 oz/gal
#3194 1 qt ■ ready-to-use

PAA Sanitizer

PAA Sanitizer is a peroxyacetic acid-based sanitizer/disinfectant developed for use on previously-cleaned hard, non-porous food contact surfaces in food and beverage plants, egg facilities, and eating establishments. Effective against *Staphylococcus aureus*, *Listeria monocytogenes*, *Salmonella enterica*, and *Escherichia coli*, PAA Sanitizer has demonstrated greater than 99.999% reduction of organisms after 60 seconds. PAA Sanitizer can also be used as a fruit and vegetable water treatment.

EPA Reg. No. 63838-1-5741

#3127 2.5, 4.8, 52 gal ■ 1 oz/5 gal

Peroxy Protein Remover, Cleaner & Whitener

Peroxy Protein Remover, Cleaner & Whitener is a hydrogen peroxide-based cleaner designed to remove proteins and whiten protein stains from all types of food preparation surfaces. Formulated specifically for food handling, food processing, and food service operations, Peroxy Protein Remover can be used as a general purpose cleaner to remove animal fat, grease, blood, vegetable oils, food residues and other tough soils.

#3821 1, 5, 15, 30, 55, 275 gal ■ 1 - 12 oz/gal
#4822 2 ltr ■ 2 - 6 oz/gal

PRO-Vention™

PRO-Vention is a peroxyacetic acid-based antimicrobial solution developed for use in Federally Inspected meat and poultry processing locations. If used as directed, it will help to reduce contamination and cross-contamination of edible food products. Its use is acceptable for direct or indirect contact in or on food, including fruits, vegetables, meat, and poultry, fish & seafoods, marinades & brines. When used according to label instructions, PRO-Vention may be used in process water, ice or brine used for washing, rinsing or cooling of processed and preformed ready-to-eat meat and poultry.

#3833 55 gal ■ 0.2 - 15 oz/10 gal

Sani-T-10 Plus®

Sani-T-10 Plus is a 4th generation quat-based, food contact sanitizer for use in food handling areas, Federally inspected meat and poultry plants, fruit and vegetable processors, restaurants, bars and institutional kitchens. Ideal to sanitize several types of food processing equipment or fruit and vegetable conveyors dishes, as well as a non-chlorinated option for egg shell sanitizing!

EPA Reg. No. 10324-117-5741

Laminate Lights® EnduraSTRIP™

EnduraSTRIP is a powerful water-based compound for quickly and efficiently removing traditional floor finishes. This product typically will accomplish in one application what many finish removers do in two or three, saving hours of labor.

#0067 1, 5, 15, 30, 55, 275 gal ■ 10 - 16 oz/gal

L.O.E. Stripper®

L.O.E. Stripper is a low-odor finish and wax remover, formulated for use in confined areas where strong floor finish remover odor presents a problem. The fragrance-free formula keeps the indoor air quality clear of unpleasant odors. L.O.E Stripper contains no butoxyethanol for those who prefer a non-butyl stripper floor finish remover.

#0061 1, 5, 15, 30, 55, 275 gal ■ 6 - 32 oz/gal

Marble Mop

A film free concentrate for damp mop maintenance of marble and stone floors. An easy and cost effective maintenance solution, the no-rinse formula saves time and labor costs. It's safe to use every day, especially in heavily trafficked areas. Floor appearance is enhanced and the life of Marble Polish is substantially extended.

#3088 1, 55 gal ■ 2 - 6 oz/gal

HARD FLOOR CARE (CONTINUED)

Millennia Bright Dura Gloss Laminate®

Millennia Bright Dura Gloss Laminate transforms and improves traditional acrylic based floor finish technology by creating a crystal clear gloss with brilliant shine. Its excellent clarity allows the natural color of flooring to pass through the Laminate unobstructed. Non-yellowing, even after repeated re-coats, Dura Gloss Laminate provides a tough, durable surface to prevent damage and deterioration.

#4060 1, 5, 15, 30, 55, 275, 330 gal ■ ready-to-use

Millennia Bright Dura Prime®

Dura Prime is formulated to restore, condition and protect old, damaged or new resilient tile, terrazzo, and linoleum. The formula's ionic cross-linked bond protects the tile by enhancing the strength and durability of the entire laminating system. Once Dura Gloss Laminate is applied over Dura Prime, a tough, durable surface is created to prevent damage and deterioration due to abrasion, scratching, scuffing and wear.

#5560 5, 15, 30, 55, 275, 330 gal ■ ready-to-use

N/C No Charge® Static Dissipative Floor Cleaner

N/C No Charge Static Dissipative Floor Cleaner is formulated for use on floors where static dissipative activity is needed. Designed to be used with N/C No Charge Floor Finish, N/C No Charge Static Dissipative Floor Cleaner maintains the static dissipative qualities with each cleaning.

#4014 1, 5, 15, 30, 55, 275, 330 gal ■ 2 oz/gal

N/C No Charge® Static Dissipative Floor Finish

N/C No Charge Static Dissipative Finish adds protection from most types of ESD damage while providing exceptional gloss, depth, and clarity. The thermoplastic polymers, resins and waxes assist in the dissipation of electrical charges from objects moved across a floor, preventing an accumulation of electrical charges.

#4013 1, 5, 15, 30, 55, 275, 330 gal ■ ready-to-use

NAD-75®

NAD-75 is specifically formulated to remove water-based and polymer floor finishes, including metal interlocked detergent-resistant finishes. With low foaming wetting agents, NAD-75 can be used with automatic scrubbers. In addition to being an excellent stripper, NAD-75 is an economical and highly-effective industrial cleaner.

#0075 5, 15, 30, 55, 275 gal ■ 10 - 32 oz/gal

On an' On®

Non-buff metal interlock floor finish requires fewer coats, reducing labor. A high solids, non-buff, metal interlock floor finish, On an' On combines deep glossy beauty with tough wear-ability to reduce overall labor costs. Unlike some high-solids floor finishes, On an' On levels smoothly, and is applied with ease.

#4073 1, 5, 15, 30, 55, 275, 330 gal ■ ready-to-use

On Base®

On Base provides a tough, durable protective base that resists water marks and scuffs and keeps scratches from penetrating through to base flooring. Unlike other seals, On Base may be used on a variety of hard floors including resilient tile, rubber, asphalt, vinyl, vinyl asbestos and vinyl composition, synthetic-type gym floors, as well as some types of marble and slate.

#5555 1, 5, 15, 30, 55, 330 gal ■ ready-to-use

Pro-Shine

Pro-Shine is a high gloss acrylic emulsion modified with urethane and designed for use with high-speed equipment. Extremely durable and movable, Pro-Shine's quick response to the thermal heat generated by high-speed equipment substantially reduces the time required for removing black heel marks, scratches, and scuffs from heavily trafficked areas.

#4082 1, 5, 15, 30, 55, 330 gal ■ ready-to-use

Rinse Free Strip

Rinse Free Strip, floor finish remover, is formulated to substantially reduce time and labor costs by eliminating the need to rinse as well as the need to machine agitate. The formula contains water-miscible organic solvents providing complete evaporation of any residue.

#0082 1, 5, 15, 30, 55, 330 gal ■ 12 - 64 oz/gal

Sheen 17®

Sheen 17 is a pure acrylic based floor finish providing exceptional clarity and durability. Its pure acrylic foundation creates a clear gloss, permitting the natural floor color to pass through unobstructed. Sheen 17 is recommended for high traffic areas with low maintenance budgets. A favorite in schools, plants, factories, and supermarkets who buff once a week or less.

#4017 1, 5, 15, 30, 55, 330 gal ■ ready-to-use

Shineline Emulsifier Plus®

Shineline Emulsifier Plus is a high performance stripper that quickly removes heavy build-ups and burnished floor finish. For use with ultra-high speed floor care systems, this formula can be used with hot or cold water. Shineline Emulsifier Plus is pleasant to use and is formulated with a light fragrance to eliminate strong solvent odors which can be particularly offensive.

#0084 1, 5, 15, 30, 55, 275 gal ■ 12 - 64 oz/gal

Shineline Floor Prep®

Specially formulated to eliminate alkaline residue remaining on floors after stripping or restorative cleaning. Shineline Floor Prep leaves floors conditioned, film free and ready for application of seal and finish. Floors prepped with Shineline Floor Prep allow deep penetration of seal and better bonding resulting in an extended life of the finish.

#3029 1, 5 gal ■ 5 oz/gal

HARD FLOOR CARE (CONTINUED)

Shineline Seal®

Shineline Seal is a thermoplastic seal specifically designed for use with Upper Limits floor finish. Just two coats of Shineline Seal are needed to condition, seal, and protect a floor. A high-gloss, wet-look appearance is accomplished by building gloss from the first coat of seal to the last coat of finish.

#4004 1, 5, 15, 30, 55, 330 gal ■ ready-to-use

Step Down®

Step Down is an effective floor finish remover designed to quickly penetrate and eliminate heavy finish build-up. The low odor formulation is ideal for use in facilities with confined areas and where strong finish remover odors are problematic. Unlike most traditional floor finish removers, Step Down produces little to no foam for easy pick up and less rinse time.

#0065 1, 5, 15, 30, 55, 275 gal ■ 12 - 32 oz/gal

Shineline Baseboard Stripper™

The unique and convenient aerosol is designed to be held upside down. Ideal for baseboards, floor edges, stairs, and corners. It speeds up the cleaning of equipment, floor pads, buckets, wringers and floor machine housing. Shineline Baseboard & Wax Build Up Stripper removes industrial soils and adhesives.

#6097 20 oz ■ aerosol

Sunny-Side®

Extremely high gloss non-buff finish that levels smoothly to highlight floors with the ultimate shine. This metal inter-lock floor finish has mirror like reflective properties to actually double an image for more visual impact! Sunny-Side will hold its brilliance through numerous detergent moppings and can easily be restored when necessary by spray buffing.

#4045 1, 5, 15, 30, 55, 330 gal ■ ready-to-use

SparClean® Sure Step™

Grease is inescapable in a kitchen environment, especially in and around grills and fryers. Over time, this grease builds-up in kitchen tile and grout, creating a slippery, safety hazard. SparClean Sure Step is a no-rinse, enzyme floor cleaner that breaks down built-up grease, improving slip resistance. SparClean Sure Step enzymatic action continues to work even when the floor is dry!

#7659 1, 5, 55, 275, 330 gal ■ 2 oz/gal

#4802 2 ltr ■ 2 oz/gal

SunSwept®

SunSwept combines acrylic co-polymer-based floor seal and finish, with unique cleaning agents specifically formulated to maintain high gloss floor finishes. This two-in-one product, will not dull, haze or streak existing floor finishes. SunSwept is safe to use on all resilient type floorings and all surfaces unharmed by water. Formulated for use through an automatic scrubber; clean and shine in one easy application.

#4064 1, 5, 15, 30, 55, 275, 330 gal ■ 4 oz/gal

Spraybuff®

Spraybuff is a water-based floor maintenance product that cleans and shines in one step. Formulated by using a floor finish and a polymer blended with a high-quality detergent, Spraybuff removes scuffs, black heel marks, and scratches without disturbing the finish on the floor. Routine use of Spraybuff minimizes floor care maintenance expenditures by reducing the cost of stripping, sealing, and refinishing.

#4440 1, 15, 30, 55, 330 gal ■ ready-to-use

#3040 1 qt ■ ready-to-use

Super Spraybuff®

Super Spraybuff is a solvent-based floor maintenance product that cleans and shines in one step. Fortified with a solvent, Super Spraybuff deep cleans and restores high traffic floors. Routine use of Super Spraybuff minimizes floor care maintenance expenditures by reducing the cost of stripping, sealing, and refinishing.

#4450 1, 15, 30, 55, 330 gal ■ 1:1

Square One®

Square One is an extremely powerful stripping compound formulated exclusively to remove long-term build-ups of floor finish and wax. The dual-solvent system quickly penetrates and re-emulsifies even the most highly burnished solids. Square One's high performance, low foaming wetting agents reduce the time and cost normally required when the stripping task is particularly difficult.

#0078 1, 5, 15, 30, 55, 275 gal ■ 12 - 32 oz/gal

Terra Glaze®

Terra Glaze is an acrylic polymer seal developed exclusively for use on terrazzo. A 25% solids metal interlock formulation, Terra Glaze conditions, seals, and protects the natural beauty of terrazzo. Once applied, Terra Glaze becomes a hard, tough seal that combats terrazzo's inherent susceptibility to damage and deterioration due to abrasion, scratching, scuffing, and wear.

#5810 1, 5, 15, 30, 55, 330 gal ■ ready-to-use

All Safe®

All Safe is a solvent-free metal and parts washing compound that is a moderately foaming, water dilutable detergent complex formulated to safely remove heavy industrial soil. A safe alternative for chlorinated and non-chlorinated solvents, high caustic and hazardous water-soluble parts, All Safe removes grease, oily carbon, carbon exhaust, and is very effective on all exterior surfaces, such as engines.

#2803 5, 15, 30, 55, 330 gal ■ 4 - 43 oz/gal

BH-38®

BH-38 is a multi-purpose butyl base detergent that provides quick penetration and easy removal of light to medium industrial soils. Formulated for use at low dilutions, BH-38 is designed for heavy-duty cleaning tasks of airplane nacelles, appliances, brick, concrete, engines, machinery, flues, hoods, etc. At a lower dilution, BH-38 is great for kitchen walls, tile, marble, and dirty terrazzo.

#2038 1, 5, 15, 30, 55, 330 gal ■ 12 - 64 oz/gal

BioRenewables® Industrial Degreaser

BioRenewables Industrial Degreaser is a user-friendly, industrial strength degreaser designed to be used in concentrate form. Formulated with soybean oil technology and boosted with d-limonene, this degreaser tackles even the toughest tasks. 100% active, BioRenewables Industrial Degreaser works in many medium to heavy duty cleaning tasks.

#2310 5, 55 gal ■ ready-to-use

BioRenewables® Waterless Hand Cleaner

BioRenewables Waterless Hand Cleaner is designed to clean hands with or without water. Formulated with a soybean solvent base to remove heavy-duty soils safely and easily, BioRenewables Waterless Hand Cleaner also contains Aloe Vera to help condition the skin and prevent dryness and cracking.

#2960 1 gal ■ ready-to-use

BioRenewables® Waterless Plus

BioRenewables Waterless Plus is a heavy-duty waterless hand cleaner with pumice that does not require rinsing. With a powerful soybean oil solvent and a blend of surfactants, BioRenewables Waterless Plus can handle the toughest soils, but is gentle enough to use daily.

#2974 1 gal ■ ready-to-use

DC-13®

DC-13 is a halide free, non-corrosive cleaner designed to remove soil containing radioactive material. DC-13 is an effective hard and non-porous surface cleaner that does not interfere with the efficiency of evaporators in disposal of low level contaminants.

#2065 5, 55, 330 gal ■ 2 - 3 oz/gal

Goin' Home®

Goin' Home is a lotionized liquid, industrial strength hand cleaner formulated to quickly penetrate and clean away the toughest grease, grime and ground-in soils without depleting natural skin oils.

#2760 1 gal flat top, 55 gal ■ ready-to-use

Green Solutions® Industrial Cleaner

Green Solutions Industrial Cleaner is a non-toxic, heavy-duty product, formulated to tackle difficult cleaning tasks. The super surfactant blend provides quick penetration and initial removal of everyday petroleum-based soils such as motor oil, hydraulic fluid, lithium grease, lubricant oils and stamping oils, etc.

#3506 1, 5, 15, 30, 55, 275 gal ■ 1 - 128 oz/gal

#3515 2 ltr ■ 2 oz/gal

Grub Scrub®

Grub Scrub is a heavy duty, pumpable Hand Cleaner with pumice and moisturizers that work efficiently to penetrate and remove the toughest dirt, grease and grime from hard working hands.

#2809 1 gal ■ ready-to-use

#2810 1 gal flat top ■ ready-to-use

H2-D2®

Highly dilutable, heavy duty cleaner/degreaser. Butyl-base system, H2-D2 features rust inhibitors and heat stability up to 180°F. Excellent for hot dip tank cleaning, industrial processing and maintenance tasks. Use in conjunction with automatic scrubbers, pressure washers and steam cleaning equipment. Provides superior cleaning and degreasing results at cost saving high dilution.

#2485 5, 15, 30, 55, 275 gal ■ 2 - 8.5 oz/gal

IC-115®

IC-115 is a medium to heavy duty, detergent complex formulated to remove loose oil, grease and soap scum, while killing odors. An excellent shower room cleaner, IC-115 is designed specifically for tasks requiring stable emulsification of oil and grease which create slippery conditions. IC-115 is phosphate free and biodegradable.

#2115 1, 15, 30, 55, 275 gal ■ 8.5 - 12 oz/gal

Lite'n Foamy® Industrial Hand Wash

Lite'n Foamy Industrial Hand Wash works as hard as you do to get hands clean from dirt, grease and grime after a hard day's work. This unique formula is ideal for use in factories, mechanical shops, manufacturing plants, construction sites, or anywhere in which heavy soils may contaminate the skin.

#3309 1, 5, 55 gal ■ ready-to-use

Lotionized Liquid Hand Cleaner

Lotionized Liquid Hand Cleaner is a high quality, all-purpose hand cleaner formulated for use in schools, day care centers, hotels, restaurants, commercial facilities, offices, public transportation, and other commercial and institutional areas. Containing cosmetic cleaning agents and lanolin to quickly penetrate and remove soil and grease from hands, Lotionized Liquid Hand Cleaner leaves skin smooth, soft and supple.

#3003 1, 5, 15, 30, 55, 275, 330 gal ■ ready-to-use
#3006 1 gal flat top ■ ready-to-use

Lube-All

Lube-All is a high tech lubricant enhanced with zonyl® PTFE Resin. It maintains longer lubricity and wear resistance, restoring smooth operation to sticky or rusty mechanisms without disassembling. Quick penetrating action through the smallest cracks and crevices, provides a protective barrier against corrosive environments. Use on fasteners, tools, sliding doors, locks, hinges, window cranks, cables, chains, electronic gears, electrical tools, and automobile starters.

#6730 20 oz ■ aerosol

Orange Tough® 15

A powerful, ready-to-use grease release formula containing builders, surfactants and wetting agents. This industrial strength cleaner is boosted with a combination of natural d-limonene and a soybean derived solvent to handle tough cleaning tasks. Orange Tough 15 removes black heel marks, tar, gum, asphalt stains, scuff marks, some inks, oil, grease and other stubborn soils.

#2215 5, 55 gal ■ ready-to-use
#2216 1 qt ■ ready-to-use

Orange Tough® 40

Water-dilutable and rinsable, Orange Tough 40, is an all-purpose degreaser with d-limonene. The formula contains a blend of builders, surfactants and wetting agents to provide the extra strength for quick penetrating, dissolving and removal of oily and greasy soils. Orange Tough 40 will also remove carbon exhaust, rust proofing over-spray, cosmoline and undercoating.

#2240 1, 5, 55 gal ■ 6 - 64 oz/gal

Orange Tough® 90

Orange Tough 90 is a natural solvent degreaser with d-limonene for extremely heavy duty degreasing and cleaning of engines, machinery tools, grills, all metals and concrete. With a blend of 90% D-limonene and 10% detergent surfactants, Orange Tough 90 is 100% active. The biodegradable formula quickly cuts through grease, oil, dirt, cosmoline, tar, rubber burns, carbon creosote, many inks and adhesives.

#2290 5, 55 gal ■ ready-to-use

Safe Spray LF®

Safe Spray LF is a solvent-free, low foaming cleaner for use in high pressure/high temperature spray washing systems. Formulated to replace corrosive, caustic cleaners, Safe Spray LF is safe to use on plastics, glass, ceramic, and synthetic rubbers.

#2804 5, 15, 30, 55, 330 gal ■ 8 - 12 oz/gal

SC-200

SC-200 is a high alkaline, solvent-based, extra heavy-duty industrial cleaner. Formulated for use at low to medium range dilutions, SC-200 attacks grease and encrusted soil on concrete, road equipment, and heavy machinery. Safe to use in automatic scrubbers, SC-200 efficiently cleans manufacturing facility floors.

#2200 1, 5, 15, 30, 55, 275 gal ■ 4 - 12 oz/gal

SD-20®

Formulated to foam away dirt, grease and fingerprints from washable surfaces, SD-20 all-purpose degreaser aerosol tackles a wide range of cleaning jobs-from removing heavy soil on baseboards to foaming away grease on exhaust vents and hoods. The clinging foam, no rinse formula allows concentration of the product on stubborn spots and aids in spot cleaning.

#6520 20 oz ■ aerosol

SNB-130®

Non-butyl, extra heavy duty detergent degreaser formulated for use in industrial and institutional facilities. Excellent kitchen and restaurant degreaser. Extra degreasing boost cuts through greasy build-ups and heavy encrustations. Contains no butyl or toxic solvents. No abrasives. No harmful vapors. No butyl kickback. Non-flammable. Biodegradable. Kosher and Pareve.

#2130 1, 5, 15, 30, 55, 275 gal ■ 1.5 - 12 oz/gal

THE Degreaser 6

An ecologically sound, environmentally conscious, heavy-duty all-purpose industrial cleaner formulated to remove grease, oil and other tough soils without upsetting the ecosystem of water and waste treatment facilities. THE Degreaser is a powerful detergent complex with aggressive grease emulsification ability that quickly penetrates, emulsifies and removes tough industrial soils such as soot, oils and lubricants.

#4734 2 ltr ■ 2 oz/gal

Tough 90®

Tough 90 is a solvent degreaser that makes fast work of even the toughest industrial degreasing jobs. With a versatile formula, Tough 90 is great for desoiling engines, machinery, all metals and concrete. It can also be used as a slip coat on beds, walls, and tailgates of asphalt trucks and equipment to prevent adhesion of asphalt. Tough 90 quickly cuts through tar, rubber burns, and adhesives, making it perfect for use in floor restoration/renovation projects.

#2267 5, 55 gal ■ ready-to-use

Tough Duty®

Tough Duty is a butyl-based, ready-to-use cleaner and degreaser formulated and packaged for maximum user convenience. A non-viscous clear pink liquid, Tough Duty is an industrial strength all-purpose cleaner with a combination of wetting and cleaning agents fortified with a solvent giving it the ability to quickly penetrate and remove both food and industrial-type grease-based soils.

#2041 1, 5, 15, 30, 55, 330 gal ■ ready-to-use
#2040 1 qt ■ ready-to-use

Tough Duty® NB

Tough Duty NB is a non-butyl, ready-to-use cleaner/degreaser recommended for use in facilities where butyl cleaners are restricted. Safe for use on nearly every washable surface, use Tough Duty NB on walls, partitions, floors, vinyl, chrome, stainless steel, etc. This unique ingredient combination provides unusual ability to quickly penetrate and remove both food and industrial type grease-based soils.

#2051 1, 15, 30, 55, 330 gal ■ ready-to-use

#2050 1 qt ■ ready-to-use

Tough on Grease®

With a non-butyl, water soluble cleaner/degreaser featuring polemic technology, Tough on Grease assists in the removal of stubborn non-polar soils such as tire and rubber marks, asphalt, tar, oil, carbon exhaust, etc. Its low-foaming characteristic permits use with pressure washers, automatic scrubbers, brushes, mops or as a spray and wipe for walls and equipment.

#2034 1, 5, 15, 30, 55, 275, 330 gal ■ 12 oz/gal

TREE-Z™

TREE-Z is a ready-to-use, plant-based product that efficiently removes tough, sticky adhesives and soils, marker and paint-based graffiti, scuff marks, wax residue and so much more. Using a renewable solvent, which is naturally derived from agricultural ingredients, TREE-Z helps to replace hazardous, toxic, and environmentally harmful products. USDA certified to contain over 50% bio-based material, TREE-Z is a safer alternative to petroleum based solvents.

#3171 1 qt ■ ready-to-use

Aqueous NB

Aqueous NB is a dye-free, fragrance-free industrial degreaser that safely removes petroleum greases, cutting fluids, grime, soot, polishing compounds and ink found in industrial applications. The non-butyl formula is biodegradable, non-hazardous, SARA Title III compliant, non-corrosive, non-toxic, non-flammable and contains no VOCs.

#2844 5, 55, 275, 330 gal ■ 10:1 - 20:1

BlueSpar

BlueSpar is a medium-duty, oil-free, multi-functional synthetic coolant formulated to provide increased corrosion protection on ferrous and non-ferrous metals. BlueSpar increases sump life and results in a reduction of coolant purchases and waste handling costs. BlueSpar contains selected ingredients to increase wheel life, improve surface finish, and help prevent wheel loading.

#3113 5, 55, 275, 330 gal ■ 10:1 - 20:1

CoolSpar®

CoolSpar is a dye-free, fragrance-free, oil-free, multi-purpose synthetic coolant. Formulated for use in heavy duty operations on hard to machine metals such as Inconel, Hastelloy, titanium alloys and stainless steel, CoolSpar extends tool life and improves surface finish.

#2987 5, 55, 275, 330 gal ■ 10:1 - 20:1

Cutter EXP® HW

Cutter EXP HW is a soluble oil-based cutting and grinding fluid designed for heavy, medium and light duty machining and grinding operations. Multi-functional and soluble in hard water, Cutter EXP HW offers extended long-term in-tank stability providing maximum longevity and machine performance.

#2925 5, 55, 275, 330 gal ■ 10:1 - 20:1

Grind Safe®

Grind Safe is a synthetic grinding fluid designed for use in high-speed grinding operations. Safe for the operator and the environment, Grind Safe leaves a completely water-resoluble film on the machine and parts for rust control.

#2979 5, 55, 275, 330 gal ■ 10:1 - 20:1

Grotan®

Grotan is an EPA registered, broad-spectrum bactericide and fungicide for use in heavily fouled sumps and machines. Through routine treatment of metalworking fluids, Grotan prevents microbial contamination and extends the life of fluids while it helps protect machines, tools and work pieces from corrosion.

EPA Reg. No. 365-76

#2850 1 gal ■ 12 - 15 oz/gal

IPG® Defoamer

IPG Defoamer is a general purpose, modified-silicone defoamer that can be used for all non-high pressure machining and/or grinding applications.

#2915 1 qt, 1, 5 gal ■ 1 oz/100 gal

JD-4

JD-4 is a water-dilutable, semi-synthetic, general purpose cutting and grinding fluid concentrate. Designed for use in light and medium duty machining or grinding operations, JD-4 is formulated to provide the cleanliness of a synthetic coolant with the lubricity of an oil based coolant.

#2905 5, 55, 275 gal ■ 10:1 - 20:1

Maxim® VHP

Maxim VHP is a multi-functional, high pressure, high performance, cutting and grinding fluid designed for high speed, high pressure coolant applications. Low foaming and metal corrosion inhibiting, Maxim VHP extends tool life, improves surface finish, and rejects tramp oil.

#2940 5, 55, 275, 330 gal ■ 10:1 - 20:1

Metal Spray LF®

Metal Spray LF is a solvent-free, low-foaming compound designed for high pressure, high temperature spray washing systems. Designed for use with cabinet, tumble drum and in-line conveyor spray washing systems, Metal Spray LF replaces high caustic, high pH degreasers.

#2824 5, 55, 275, 330 gal ■ 10:1 - 20:1

SemiCut®

SemiCut is a universal semi-synthetic coolant that provides superior tool life and surface finish. With the cleanliness, cooling and clarity of a synthetic and the high lubricity of extreme pressure soluble oil, SemiCut contains stain and corrosion inhibitors and odor counteractants to prevent rust and ensure odor-free machine operation.

#2881 5, 55, 275, 330 gal ■ 10:1 - 20:1

SemiSpar HD®

SemiSpar HD is a heavy duty, multi-functional, semi-synthetic cutting and grinding fluid designed for light, medium and heavy duty machining and/or grinding operations. Formulated with corrosion inhibitors, SemiSpar HD provides excellent tool life and surface finish properties on a wide range of metals.

#2870 5, 55, 275, 330 gal ■ 10:1 - 20:1

SparCut NC®

SparCut NC is a micro-emulsion structured cutting and grinding fluid formulated to provide extreme pressure properties without the use of chlorine, sulfur, or phosphorus. Ideal for the nuclear and aeronautical industry, SparCut NC reduces potential for stress cracking and lowers disposal costs due to the absence of chlorine found in most EP type coolants.

#2802 5, 55, 275, 330 gal ■ 10:1 - 20:1

SynSpar GP®

SynSpar GP is a medium to heavy duty synthetic coolant for use on ferrous and nonferrous metals. Formulated without chlorine or sulfur, SynSpar GP offers long-term, in-tank stability and excellent tool life and surface finish qualities.

#2957 5, 55, 275, 330 gal ■ 10:1 - 20:1

The Carbide Grinder

The Carbide Grinder is a synthetic fluid specifically designed for grinding cemented carbide (tungsten or titanium carbide) materials. Formulated with cobalt leaching inhibitors, The Carbide Grinder reduces the need for frequent recharging.

#2788 5, 55, 275, 330 gal ■ 10:1 - 20:1

The Cleaner

The Cleaner is a heavy-duty germicidal detergent formulated specifically to remove build-ups and eliminate odors in the coolant system. The Cleaner's disinfecting properties kill odor-causing bacteria and fungus that destroy the rust and corrosion inhibitors, lubricating properties, and overall stability of any metalworking fluid. **EPA Reg. No. 5741-19**

#2995 5, 55, 275 gal ■ 30:1 - 20:1

The Cooler

The Cooler is a general purpose synthetic chemical coolant for use on cast iron, ductile iron and most other metals. The Cooler leaves a completely water-resoluble, rust-preventative film on machine and parts. Formulated with a unique blend of wetting agents, The Cooler rejects tramp oil emulsification providing for easy removal of this contaminant through skimming, centrifugation, or other appropriate means.

#2990 5, 55, 275, 330 gal ■ 10:1 - 20:1

The Cutter

The Cutter is a multi-functional soluble oil-based fluid designed for most machining and/or grinding operations. Containing corrosion inhibitors and odor counteractants, The Cutter reduces acidity problems and greatly increases the life of the coolant.

#2985 5, 55, 275, 330 gal ■ 10:1 - 20:1

The Grinder

The Grinder is a pure synthetic fluid designed for high-speed grinding operations on most metals. The non-foaming formulation of The Grinder eliminates foaming and misting problems on all high-speed grinding operations. When used at the proper concentration, The Grinder eliminates foul odor problems associated with spoiled coolants in manufacturing plants.

#2992 5, 55, 275, 330 gal ■ 10:1 - 20:1

The Metal Cleaner

The Metal Cleaner is a solvent free, moderately foaming, parts washing compound. Formulated to safely remove moderate industrial soils, The Metal Cleaner is chlorine and sulfur free and contains rust and corrosion inhibitors. Safe for most metals and plastics, The Metal Cleaner may also be used in conjunction with pressure washers, steam cleaners, and dip tanks.

#2823 5, 55, 275, 330 gal ■ 10:1 - 20:1

KITCHEN SERVICES

Blue-Glo™

Blue-Glo is a blend of synthetic detergents and cosmetic quality foaming agents that produces rich, luxurious suds to quickly emulsify vegetable oils and greases. The blue formula rinses clear with no streaking, smudging, water-spotting, or filming. In addition to routine kitchen clean-up of pots and pans, baking sheets, flatware and glasses, Blue-Glo can also be used for hand washing of fine fabrics.

#3111 1 qt, 1, 5, 15, 30, 55, 330 gal ■ 0.25 oz/gal

Carbon & Grease Remover

Carbon & Grease Remover is an effective cleaner that is safe to use on porcelain, glass, ceramics, stainless steel, and cast iron surfaces. The convenient spray-on gel formula clings to surfaces and provides rapid penetration and emulsification of tough soils such as baked-on carbon, grease, and food deposits. Offered in a versatile aerosol can, Carbon & Grease Remover can be used for cleaning commercial and institutional ovens, grills, griddles, char broilers, drip pans, hoods, rotisseries, and deep fat fryers.

#6281 20 oz ■ aerosol

Golden-Glo

Specially formulated to remove grease, baked-on food and stains from pots and pans, Golden-Glo's lotionized formula remains mild and gentle to hands. The heavy duty cleaning activity rinses free and leaves no streaks or film and is an excellent grease cutter. Highly concentrated, Golden-Glo's high soil load capacity and excellent suds retention provide maximum economy.

#3000 1 qt, 1, 5, 15, 30, 55, 330 gal ■ 0.25 oz/gal

Oven & Grill Cleaner

Oven & Grill Cleaner provides rapid penetration and emulsification of tough soils such as baked-on carbon, grease and food deposits. Recommended for use in cleaning commercial and institutional ovens, grills, hoods, rotisseries, deep fat fryers, and small cutlery item, etc. Oven & Grill Cleaner is non-flammable and safe to use when the recommended preliminary steps are taken.

#3004 1, 15, 30 gal ■ ready-to-use - 12 oz/gal
#3194 1 qt ■ ready-to-use

Sani-T-10®

Sani-T-10 is a disinfectant, sanitizer, algacide, and deodorizer used for anything from disinfecting hospital rooms and rinsing bar glasses, to keeping algae growth from occurring in pools. Sani-T-10 does not contain cleaning agents, perfumes, or any other additives that can be a problem in food-contact areas.

EPA Reg. No. 5741-13

#4800 2 ltr ■ 0.25 oz/gal

Sani-T-10 Plus®

Sani-T-10 Plus is a 4th generation quat-based, food contact sanitizer for use in food handling areas, Federally inspected meat and poultry plants, fruit and vegetable processors, restaurants, bars and institutional kitchens. Ideal to sanitize several types of food processing equipment or fruit and vegetable conveyors dishes, as well as a non-chlorinated option for egg shell sanitizing!

EPA Reg. No. 10324-117-5741

#3159 1, 5, 15, 30, 55, 275 gal ■ 0.75 - 2 oz/4 gal

Sani-Tyze®

Sani-Tyze, food contact surface sanitizer, is a ready-to-use quaternary-based cleaner, sanitizer and deodorizer formulated for maximum economy and convenience wherever food is processed, prepared, or served. Sani-Tyze can be used as a light duty cleaner on any multi-touch surface such as refrigerators, drinking fountains, and ice machines or it can be used as an effective deodorizer. EPA Reg. No. 10324-107-5741

#3195 1 qt ■ ready-to-use

SparClean® Super Suds 48

SparClean Super Suds delivers powerful cleaning and long-lasting, luxurious suds. Formulated with Aloe, Super Suds aggressively emulsifies and removes baked-on grease or food soils while conditioning hands. Plus, the powerful grease-cutting formula is concentrated, so you can use less to wash more.

#7648 1 qt, 1, 5, 55 gal ■ 0.25 oz/gal
#4804 2 ltr ■ 0.25 oz/gal

SparClean® Detergent II 49

SparClean Detergent II is a non-chlorinated, non-foaming ware-wash detergent for use in both low and high temperature dish machines. SparClean Detergent II provides the alkalinity needed to effectively clean and remove tough greasy soils from dishes. The formulation works extremely well with both SparClean High and Low Temperature Rinse Aids to produce clean, spot free dishes.

#7649 1, 5 gal ■ 6 - 14 mL/gal

SparClean® All Temperature Detergent 50

SparClean All Temperature Detergent is a non-chlorinated, non-foaming, highly concentrated warewash detergent for use in both low and high temperature dish machines. This heavily concentrated detergent is designed to provide a unique blend of water conditioners, soil suspending agents and the necessary alkalinity to tackle tough greasy soils at low doses per rack.

#7650 1, 5 gal ■ 3 - 7 mL/gal

SparClean® Chlorinated Detergent 51

SparClean Chlorinated Detergent is a concentrated warewash detergent boosted with chlorine for use in both low and high temperature dish machines. The formula combines the de-staining ability of chlorine bleach with water conditioners, soil suspending agents, and the necessary alkalinity to tackle tough greasy soils at low doses per rack.

#7651 5 gal ■ 3 - 7 mL/gal

SparClean® High Temperature Rinse Aid 52

SparClean High Temperature Rinse Aid is specially formulated to ensure superior water sheeting and drying of dishware and utensils in high temperature dish machines. It also helps to control mineral deposits left by hard water and food soils caused from rapid evaporation at high temperatures.

#7652 1, 5 gal ■ 2 - 5 mL/rack

SparClean® Low Temperature Rinse Aid 53

SparClean Low Temperature Rinse Aid is specially formulated to ensure superior water sheeting and drying of dishware and utensils in low temperature dish machines. SparClean Low Temperature Rinse Aid is ideally suited for use in conjunction with a chlorinated sanitizer. SparClean Low Temperature Rinse Aid can also be used in high temperature machines.

#7653 1, 5 gal ■ 2 - 5 mL/rack

SparClean® Sanitizer 54

SparClean Sanitizer is a chlorine-based sanitizer for use in low temperature dish machines. Used in the final sanitization step for low temperature dish machines, SparClean Sanitizer ensures tableware is properly sanitized and safe for use. EPA Reg. No. 5741-27

#7654 1, 5 gal ■ 4 - 9 mL/gal

SparClean® Delimer 55

SparClean Delimer quickly penetrates and breaks down even the most hard to remove lime and mineral deposits found in both low and high temperature dish machines. Formulated with a non-foaming synergistic blend of citric and hydrochloric acid, SparClean Delimer ensures longer machine life and decreased machine maintenance.

#7655 1 gal ■ 4 - 8 oz/gal

SparClean® Pot and Pan Detergent 56

SparClean Pot and Pan Detergent is specifically designed for manual washing of excessively soiled kitchen items in both single sink and 3-sink systems. SparClean Pot and Pan Detergent will quickly and efficiently penetrate and emulsify baked on grease and food. Even in heavily soiled conditions, this concentrated formula demonstrates superior foam retention at lean dilutions.

#7656 1 qt, 1, 5 gal ■ 0.25 - 2 oz/gal

#4845 2 ltr ■ 0.25 oz/gal

SparClean® Silverware Pre-Soak 57

SparClean Silverware Pre-soak is designed to breakdown stubborn food residues from silverware, utensils, and dishes using a proprietary triple action enzymatic formula. When used as part of everyday dish washing procedures, SparClean Silverware Pre-soak helps to ensure one pass dish washing.

#7657 1, 5 gal ■ 2 - 3 oz/gal

#4850 2 ltr ■ 1 - 2 oz/gal

SparClean® Metal Safe Machine Dish Detergent 58

Non-chlorinated, low foaming, highly concentrated warewash detergent for use in both low and high temperature dish machines. Specially formulated to prevent corrosion of aluminum, copper, brass, and other soft metals. Strips away and emulsifies soils from pots and pans, trays, dishes, glassware, plastic, and utensils.

#7658 1, 5 gal ■ 5 - 6 mL/gal

SparClean® Sure Step™ 59

Grease is inescapable in a kitchen environment, especially in and around grills and fryers. Over time, this grease builds-up in kitchen tile and grout, creating a slippery, safety hazard. SparClean Sure Step is a no-rinse, enzyme floor cleaner that breaks down built-up grease, improving slip resistance. SparClean Sure Step enzymatic action continues to work even when the floor is dry!

#7659 1, 5, 55, 275, 330 gal ■ 2 oz/gal

#4802 2 ltr ■ 2 oz/gal

SparClean® Coffee & Tea Carafe Destainer 60

SparClean Coffee & Tea Carafe Destainer quickly and easily removes coffee, tea, and other tough stains from beverage serving equipment. Designed for use in conjunction with Spartan's 3 sink wash-rinse-sanitize system, Coffee & Tea Carafe Destainer ensures that coffee pots, urns, tea and beverage pitcher, etc. look clean and stain-free.

#7660 1 qt ■ ready-to-use

SparClean® Rinse Aid II 61

Rinse Aid II is an affordable and effective formulation that provides remarkable water sheeting to accelerate the drying of dishware and utensils in all temperature dish machines. With an acidic pH, Rinse Aid II helps to control mineral deposits left by hard water and food soils. The non-foaming formula will help maintain the machine's spray arm efficiency, providing optimal wash conditions for each rack.

#7661 1, 5 gal ■ 3 - 6 mL/rack

Clothesline Fresh® Laundry Break 1

Clothesline Fresh Laundry Break is a concentrated laundry builder that prepares the fabric for the washing process by raising the pH of the wash water, which accelerates the washing process by allowing individual fibers of a fabric to open up and begin releasing entrapped soil particles. Clothesline Fresh Laundry Break contains biodegradable water softening agents to boost detergent performance.

#7001 1, 5, 15, 55 gal

Clothesline Fresh® Fabric Softener/Sanitizer 7

Clothesline Fresh Fabric Softener/Sanitizer is a liquid fabric softener designed to soften and eliminate static cling from laundered fabrics while sanitizing! Clothesline Fresh Fabric Softener/Sanitizer reduces the rigidity of fabrics which reduces fiber damage and can prolong fabric life as well as aid in the ironing process by reducing wrinkles. EPA Reg. No. 1839-108-5741

#7007 1, 5, 15, 55 gal

Clothesline Fresh® BLD 2

Clothesline Fresh BLD combines a laundry builder with a detergent to increase pH and remove soil all in one step! The elevated pH of Clothesline Fresh BLD speeds up soil removal during washing by allowing the individual fibers of a fabric to open up which expedites entrapped soil release. Clothesline Fresh BLD contains water softening and soil anti-redeposition agents to aid in the washing process.

#7002 1, 5, 15, 55 gal

Clothesline Fresh® Laundry Sour 8

Clothesline Fresh Laundry Sour is a liquid laundry sour designed to neutralize the pH of the finished wash to a level which will not irritate skin. Maintaining proper fiber pH is important, not only for comfort, but will also prolong the life cycle of the washed fabric. Removal of excess alkalinity helps to minimize the graying or yellowing of fabric as well as to reduce fiber stress which can lead to potential fiber damage.

#7008 1, 5, 15, 55 gal

Clothesline Fresh® Laundry Detergent 3

Clothesline Fresh Laundry Detergent can be used with a complete laundry program or on its own. This product was formulated to contain new advances in chemical surfactants and cleaning technology to provide a deep cleaning formula. Clothesline Fresh Laundry Detergent quickly suspends tough oily and particulate soils to prevent them from redepositing back onto the fabric.

#7003 1, 5, 15, 55 gal

Clothesline Fresh® Sour/Softener 9

Clothesline Fresh Sour/Softener is a liquid laundry sour designed to neutralize the pH of the finished wash to a comfortable level which will not irritate skin. Maintaining proper fiber pH is important for prolonging the life cycle of the washed fabric. Clothesline Fresh Sour/Softener also softens and eliminates static cling from laundered fabrics leaving laundered fabrics smelling clean and fresh!

#7009 1, 5, 15, 55 gal

Clothesline Fresh® Chlorine Bleach 4

Clothesline Fresh Chlorine Bleach is a chlorine-based bleach that enhances the performance of Clothesline Fresh Laundry Detergents and aids in the removal of tough stains. Formulated with the power of sodium hypochlorite, an inorganic chlorine source, which brightens and whitens fabrics. Clothesline Fresh Chlorine Bleach is used to eliminate stains the detergent operation was unable to remove.

#7004 1, 5, 15, 55 gal

Clothesline Fresh® Xtreme Detergent 10

Clothesline Fresh Xtreme Detergent is specifically formulated to tackle extreme hard water conditions and extreme soil load levels. The formula is extremely concentrated with water softening and chelating ability, and over 80% more alkalinity when compared to original Clothesline Fresh BLD.

#7010 5, 15, 55 gal

Clothesline Fresh® Color Safe Bleach 5

Clothesline Fresh Color Safe Bleach is a non-chlorinated, oxygen-based bleach that enhances the performance of Clothesline Fresh Laundry Detergents. Clothesline Fresh Color Safe Bleach is safe to use on most all machine-washable fabrics and colors, yet powerful enough to remove even the toughest stains.

#7005 1, 5, 15, 55 gal

Clothesline Fresh® Enzyme Laundry Detergent 11

Clothesline Fresh Enzyme Laundry Detergent is fortified with enzymes and optical brighteners to quickly digest and wash away stubborn stains and soils, leaving the fabric clean and bright. The concentrated blend of enzymes found in Enzyme Laundry Detergent gives you the ability to wash at lower water temperatures and with fewer chemicals while showing an increase in stain removal, whiteness, and soil anti-redeposition.

#7011 1, 5, 15, 55 gal

Clothesline Fresh® Fabric Softener 6

Clothesline Fresh Fabric Softener is a liquid fabric softener designed to soften and eliminate static cling from laundered fabrics and to reduce the rigidity of fabrics which reduces fiber damage and can prolong fabric life. The Softener contains anti-static agents which help to prevent static charge build-up allowing washed fabrics to have a smooth, fluffy feel right out of the dryer smelling clean and fresh.

#7006 1, 5, 15, 55 gal

Clothesline Fresh® No Dye - No Fragrance BLD 12

Clothesline Fresh No Dye - No Fragrance BLD is enhanced by patented polymeric technology that quickly suspends tough oily soils and particulates to prevent them from redepositing back onto the fabric. The formula does not contain phosphates or nonylphenol ethoxylates and with biodegradable water softeners and biodegradable surfactants Clothesline Fresh No Dye - No Fragrance BLD is more environmentally friendly.

#7012 5, 15, 55 gal

Clothesline Fresh® No Dye - No Fragrance Laundry Detergent 13

Clothesline Fresh No Dye - No Fragrance Laundry Detergent is enhanced by patented polymeric technology that quickly suspends tough, oily soils and particulates to prevent them from redepositing back onto the fabric. The formula does not contain phosphates or nonylphenol ethoxylates, and with biodegradable water softeners and surfactants, Clothesline Fresh No Dye - No Fragrance Laundry Detergent is more environmentally friendly.

#7013 1, 5, 15, 55 gal

Clothesline Fresh® Anti-Chlor 14

Clothesline Fresh Anti-Chlor is an additive for eliminating chlorine carry-over in commercial laundry applications, which also reduces fabric damage by chemically neutralizing the residual chlorine bleach in the washing process. Certain types of stains, especially medicinal stains (i.e. iodine, betadine) can only be removed with a reducing bleach. These types of stains are unaffected by chlorine bleach.

#7014 5, 15, 55 gal

Clothesline Fresh® Xtreme Oxygen Bleach 15

Clothesline Fresh Xtreme Oxygen Bleach is a 25% hydrogen peroxide-based active oxygen bleach that will get your whites white (like chlorine bleach) and keep your colors bright (which chlorine can't do). Overuse of Clothesline Fresh Xtreme Oxygen Bleach will not lead to unsightly yellowing like chlorine bleach will tend to do and will also biodegrade into water and oxygen after use in the wash cycle.

#7015 5, 15, 55 gal

Clothesline Fresh® Liquid Alkali 16

Clothesline Fresh Liquid Alkali is a concentrated laundry builder that prepares the fabric for the washing process by raising the pH of the wash water, which accelerates the washing process and allows individual fibers of a fabric to open up and begin releasing entrapped soil particles. This product contains biodegradable water softening agents to aid in the washing process and boost detergent performance.

#7016 5, 15, 55 gal

Clothesline Fresh® Xtreme Laundry Sour 17

Clothesline Fresh Xtreme Laundry Sour is a concentrated liquid laundry sour designed to neutralize the pH of the finished wash to a comfortable level which will not irritate skin. Clothesline Fresh Xtreme Laundry Sour will also help to remove iron stains from previously stained linen and is also excellent at removing suntan lotion stains.

#7017 5, 15, 55 gal

Clothesline Fresh® Detergent EP 18

An environmentally-preferable detergent option that will help you meet your sustainability goals. Clothesline Fresh Detergent EP was formulated in partnership with the Environmental Protection Agency's Safer Choice Program. Clothesline Fresh Detergent EP does not contain phosphates, silicates, solvents, or nonylphenol ethoxylates—all of which can have a negative environmental impact.

#7018 1, 5, 15, 55 gal

Clothesline Fresh® Softener EP 19

Further your sustainable laundry efforts with a product formulated in partnership with the Environmental Protection Agency's Safer Choice Program. Clothesline Fresh Softener EP is a readily-biodegradable liquid fabric softener that teams a Fresh April Air scent with superior softness.

#7019 5, 15, 55 gal

Clothesline Fresh® Oxygen Bleach EP 20

Clothesline Fresh Oxygen Bleach EP is an environmentally-preferable oxygen-based bleach that is safe to use on all wash loads. Formulated in partnership with the Environmental Protection Agency's Safer Choice Program, Clothesline Fresh Oxygen Bleach EP features the power of active oxygen—an environmentally-preferred and highly effective oxidizing agent—for superior brightening of white and colored fabrics.

#7020 1, 5, 15, 55 gal

Clothesline Fresh® Oxygen Detergent EP 21

Clothesline Fresh Oxygen Detergent EP is a detergent and color safe bleach that naturally brightens colors and whitens whites. Formulated in partnership with the Environmental Protection Agency's Safer Choice Program, Clothesline Fresh Oxygen Detergent EP features the power of active oxygen—an environmentally-preferred and highly effective oxidizing agent.

#7021 1, 5, 15, 55 gal

Clothesline Fresh® Liquid Laundry Starch 22

Clothesline Fresh Liquid Laundry Starch is a blend of natural and synthetic starches that provide a beautiful hand and body to a variety of fabrics including blends and spun poly. Clothesline Fresh Liquid Laundry Starch is an economical blend of sizing and natural starch polymers designed to provide excellent stiffness and better wash out in a wide range of temperatures.

#7022 5, 15 gal

Clothesline Fresh® Detergent SE 23

Clothesline Fresh Detergent SE is a heavy-duty, solvent enhanced, liquid laundry detergent specially formulated for use in commercial, healthcare, and on-premise laundries. Use in conjunction with Clothesline Fresh Liquid Alkali to boost its performance for superior soil removal of a wide range of soils on any type of fabric.

#7023 1, 5, 15, 55 gal

Clothesline Fresh® Detergent X 24

Clothesline Fresh Detergent X provides excellent cleaning and stain removal. Featuring the Xcelenté® fragrance, Detergent X imbues a long-lasting fresh lavender scent in laundry linens. Detergent X is charged with optical brightener and fabric protectant technology to prevent fading, graying, and linen degradation in the wash cycle. The highly concentrated formula offers an economical solution for any professional laundry program.

#7024 1, 5, 15, 55 gal

Clothesline Fresh® Softener X 25

Clothesline Fresh Softener X softens and eliminates static cling from laundered fabrics. Featuring a fragrance inspired by Xcelenté®, Softener X imbues a long-lasting fresh lavender scent in laundry linens. Softener X is fortified with a fabric protectant to reduce fiber damage, preventing color fade, prolonging linen life, and increasing softness. The highly concentrated formula offers an economical solution for any professional laundry program.

#7025 1, 5, 15, 55 gal

Clothesline Fresh® Laundry Sanitizer 26

Clothesline Fresh Laundry Sanitizer 26 is an antimicrobial laundry additive designed for use in commercial, institutional, and industrial laundry operations. Perfect for table linens, aprons, towels, coats, and diapers, Clothesline Fresh Laundry Sanitizer 26 works as a laundry presoak sanitizer against bacteria, reducing bacterial count by 99.9%. Clothesline Fresh Laundry Sanitizer 26 also helps reduce cross-contamination in treated laundry and eliminates the bad odor normal laundry detergent can't do.

EPA Reg. No. 10324-117-5741

#7026 1, 5, 15, 55 gal

Strategic Cleaner

Strategic Cleaner is specifically formulated four-in-one product that cleans natural hardwood floors. The fragrance free, multi-faceted formulation cleans without residue buildup and gently diminishes dirt on hardwood floors. Strategic Cleaner is gentle enough not to dull finish, yet safely removes oily residue left behind from various treatments, activities and gym mats.

#5822 1, 5, 15, 30, 55 gal ■ 2 - 21 oz/gal

WOODFORCE® A-Tack

WOODFORCE A-Tack is a tack rag preparation to use on new wood or between coats of seal and finish. The special blend of solvents prepares wood for strong adhesion for new floors and provides the same strong adhesion for floors in-between coats of seal and or finish. Removes uncured urethane and epoxy sealers, finishes, paints, and solvent-based waxes.

#5827 1 gal ■ ready-to-use
