

REINVENT HOW THE WORLD CLEANS

S10

Industrial-strength walk-behind sweeper

Clean in close quarters and wide-open spaces with the Tennant S10 walk-behind sweeper. This compact, heavy-duty sweeper is engineered to clean even the harshest industrial environments. Help manage silica dust with our optional HEPA filtration system.*

The S10 features two powerful batteries for fume-free, long-running performance.

Reduce maintenance costs with durable, corrosion-proof construction, while the wrap-around bumper protects machine and facility.

Fully variable forward and reverse functions ensure easy maneuverability, in any direction, while the ergonomic handle ensures operator comfort.

*Available in select geographies

Inside the S10
