

V-LWU-13 | LIGHT-WEIGHT UPRIGHT VACUUM

Combining a high performance clean with ultra light, user-friendly design.

Proven performance

Standard with HEPA 2-stage filtration for improved air quality, the vacuum's cleaning performance is also certified Gold by the Carpet and Rug Institute's (CRI) Seal of Approval program.

Increased ease-of-use

Easily transportable 8lb/3.6kg vacuum easily maneuvers to help minimize operator fatigue and is up to two times lighter than many competitive models. Clean a variety of flooring surfaces quickly and efficiently with flexible settings and adjustable sound level.

Reliable durability

Major components have been proven in commercial application for over five years. Balancing the performance, durability, low operating costs and reduced weight of this vacuum makes it a great value at an affordable price.

Key Product Features

- Maximize cleaning efficiency with automatic pile height adjustment that adapts to a variety of floor surfaces and reduces premature brush wear.
- Clean without disruption in noise-sensitive environments using quiet mode, at less than 70 dBA sound level.
- Reduce maintenance costs and downtime with no-tool brush replacement.
