

# Tork Automotive Solutions Guide

**Up to 35%**  
decrease in cleaning time  
through greater efficiency<sup>1</sup>

**Up to 31%**  
decrease in cleaning effort  
compared to traditional rags<sup>1</sup>

**Up to 41%**  
less solvent used  
compared to cleaning  
with traditional rags<sup>1</sup>

<sup>1</sup>Panel test conducted by Swerea Research Institute (Sweden, 2014) on average compared to rags

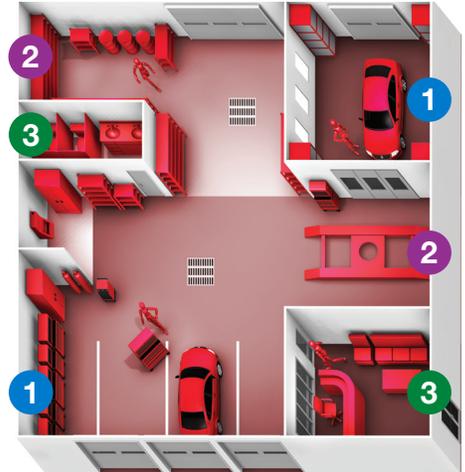

# Tork helps you meet high service level demands and improve employee efficiency

## Achieve high service levels

- Tork products are designed for specific and high-precision tasks, including low-linting applications or antistatic applications in paint booths
- Tork wipers are absorbent and work well with various solvents

## Improve efficiency

- Tork systems save time through convenient dispenser placement and easy access to cleaning solutions
- Maintenance and repair processes could be more efficient with the right selection of Tork wipers for wiping, cleaning and polishing tasks

## Product recommendations for Automotive

Our key product recommendations are those best suited to meet the tasks of the Automotive industry. For each key product, we offer a range of sizes, dispensing options, or colors. Refer to our catalog or ask your Essity representative for a full listing of all Tork wipers and cloths.

## Tork Performance Dispensers

Tork Performance Dispensers offer different formats and mounting options. Place them where needed to reduce motion waste and improve productivity. One-at-a-time dispensing reduces consumption to help control waste.

- All dispensers optimized for Tork Wipers when combined they become the perfect performance tools
- Extra robust construction
- Semi-transparent hoods
