

One coreless solution, many efficiencies

Tork OptiServe: time saving and sustainable for a better user experience

80%

of facilities
managers would
prefer to use one
solution across the
entire facility¹

Switching to Tork OptiServe means multiple improvements:

- ✓ Maximize efficiency
- ✓ Minimize environmental impact
- ✓ Provide an excellent user experience

Reduce waste

No core, no wrap and 89%
less packaging² means much
less waste

¹ Based on a 2023 survey of 500+ facility managers, cleaning managers and other stakeholders in US and Europe

² Tork Coreless SKU 472880 versus Tork conventional SKU 2461200 as compared to the packaging weight, which includes cores, wraps and cardboard box

70%

of cleaners say that if dispensers were quicker and easier to refill, they'd have more time for other cleaning tasks³

92%

of facility managers are always looking for ways to reduce waste¹

79%

of facility managers agree that compact rolls are good for limited storage space¹

Make more time to clean

Keeping restrooms stocked with toilet paper, and handling rolls and complaints takes up time for cleaners and managers. **Optimizing operational efficiency leaves more time to ensure cleaning quality.**

One versatile solution that saves time and work

The Tork OptiServe range is designed to streamline processes for multiple improvements. Refill dispensers less often and more easily, saving time for other cleaning tasks. Reduce waste and handling with less packaging. Use one solution across your entire facility for optimal operational efficiency.

Maximize efficiency

- ✓ Wide range of dispensers allows the entire facility to use one refill solution
- ✓ High capacity, serve up to 312 users⁴
- ✓ No core and no wrap saves handling time
- ✓ Half the storage space needed with compact rolls⁵

3 June 2022 Behaviorally – Qualitative and quantitative office segment research with 600+ respondents in North America and Europe

4 Tork Coreless SKU 472880 in a 4-roll dispenser and 1.3m toilet paper is used per user

5 Tork Coreless SKU 472880 versus Tork conventional SKU 2461200, comparing pack volume (ft3) per toilet paper net weight (lb)
