

NEXT-LEVEL CLEANING AUTOMATION

HAVE YOUR FLOORS CLEAN BEFORE YOU OPEN

What makes Cenobots different?

- ✓ **No Software Updates** - Operate with ease—no need for ongoing downloads, installs, or IT involvement.
- ✓ **No QR Codes on Walls** - Clean smarter without altering your facility or installing markers.
- ✓ **Quick One-Hour Demo** - See results fast with a hands-on demo that fits into your schedule.
- ✓ **Labor-Saving Efficiency** - Cenobots handle the bulk work so your team can focus on the details.
- ✓ **Optimized Cleaning Workflow** - Skip the wide-open spaces and let Cenobots handle it while you focus on high-touch areas.
- ✓ **Smart Mapping** - Accurate, intelligent mapping for reliable and consistent performance.
